FROM THE PRINCIPAL'S DESK

PGDAV College is one of the oldest constituents of the University of Delhi. It was established in 1957 with the vision of the Dayanand Anglo Vedic movement (DAV) for imparting the world-class education embedded in the Indian milieu. PGDAV college draws its inspiration from the teachings of Maharshi Dayanand Saraswati, who had paved the path for critical thinking, reasoning, and the quest for truth. In *Satyatrth Parakash* Maharshi suggests, ‘*Shiksha* (education) is that which helps one to acquire knowledge, culture, righteousness, self-control and the like virtues; eradicates ignorance and evil habits’(sic) (p.729). Maharshi’s teachings for unbiased, rational, scientific, and egalitarian education is the gospel for us. Our college offers value-based education, which aids in the welfare of society and the nation.

The college presents a bouquet of thirteen vibrant undergraduate and four postgraduate courses across twelve disciplines where it offers both the Honours and Programme degrees at the undergraduate level. We have a team of committed and highly qualified teaching faculty and supporting staff. Our resolve towards inclusive education and a better society has grown stronger during the current pandemic; we are engaging more creatively with our students. In these unprecedented times, the college has shifted to online for continuing the pedagogical engagement. The College presents a state-of-the-art infrastructure, one of the best library facilities, congenial supporting staff, and world-class sports and coaching facilities. The College comprises smart classrooms, an auditorium, conference halls, well-equipped labs, and international standards sports facilities. PGDAV is committed to the overall development of the students.

Along with arduous academic and intellectual training, the College also provides co-curricular and cultural activities for the students. Our wards excel in sports, fine arts, music, dance, and theatre. The College consistently receives numerous accolades in sports and has facilitated students to achieve distinctions at national and international levels. PGDAV is the alma mater of many international sportspersons.

PGDAV College is committed to facilitating the learning of differently-abled students by making the College a more sensitive space through a very active Enabling cell and the forthcoming teaching and

supporting staff. There are several studentships available for students from economically marginal sections of our society. Recently, the College has created a Students Fund for financially helping students who have been adversely affected by the COVID-19 pandemic. PGDAV College takes pride in engaging in sustainable practices, reducing carbon footprints by recycling/reusing the waste and enhancing green cover. Our commitment to the welfare of society through an amalgamation of traditional and modern ideas are unique and thriving.

I welcome the new students to the PGDAV family for an enriching learning experience and a bond for life and beyond.

Asato Ma Sadgamaya.

ABOUT US

Pannalal Girdharlal Dayanand Anglo-Vedic (PGDAV) College, founded in 1957 by DAV College Managing Committee, is a co-educational, NAAC accredited institution. It draws its traditions of excellence and learning from two eminent institutions of higher education in India, the University of Delhi and the DAV Education Trust, the world's largest NGO in the field of education, with over 900 schools and colleges, and a university, not just within the country, but also around the world.

Location

The College is situated at one of the prime locations in Nehru Nagar, near Lajpat Nagar on the Ring Road. It is extensively connected by bus and Metro. The Vinobapuri Metro Station on the pink line is located right next to the college.

Courses on Offer

The College offers 13 undergraduate programmes taught by 12 departments in the disciplines of Arts, Commerce, Computer Science and Mathematical Sciences. The College also offers postgraduate courses in Commerce, Hindi, Mathematics and Political Science.

Distinguished Faculty

Over the years, the College has emerged as a centre of excellence under the stewardship of its highly qualified and experienced faculty. Many faculty members are associated with curriculum development and postgraduate teaching in the University, besides guiding students at postgraduate, M. Phil. and Doctoral levels.

Student Activities

PGDAV College ensures a disciplined and organised learning environment. At the same time, it provides a supportive learning experience through extra and co-curricular societies and academic associations. The events organised by various departmental societies at inter-college levels enrich and enhance the learning process of our students and broaden their horizons in a healthy spirit of competition. The Cultural Society of the College, Hyperion, has been consistently performing well over the years, with the awards tally going to more than 120 in the academic year 2020-21.

The College strives to provide a conducive environment that nurtures teamwork, innovation and initiative. The NCC cadets and NSS volunteers of the College are trained in this tradition.

Excursions and field trips with academic and learning focus supplement these events and provide non-formal avenues for the students to experience holistic learning. The College magazine, Ankur, seeks to provide a platform to our students for developing their creative writing and literary skills.

PGDAV College is well-known for helping and encouraging sports talent. Our sportspersons have been consistently bringing laurels not only to the College but also to the University and the Nation as well. The College has nurtured various stars in games and sports like athletics, cricket, football, wrestling, yoga and other sports. Personalities like Manoj Prabhakar, (Late) Raman Lamba, Atul Wasan, Parwinder Awana, Siddharth Bidhuri, Anureet Singh etc., are some of the illustrious alumni of the College. One of our students, Lalit Mohan, secured a Gold medal in International Taekwondo Championship in May 2017. Recently, Yogesh Sharma represented the country in U19 Cricket while Kunwar Bidhuri represented Delhi State in Ranji Trophy Cricket Tournament. Prince Chaudhary (cricket), Hans Chhaprana (wrestling), Ms. Muskan, Ms. Ashu Gupta, Ms. Munni (all from Yoga) are some of the outstanding sportspersons of the College.

Facilities

The College meets the latest infrastructural requirements. The Campus is Wi-Fi enabled, and students have access to a fully functional Computer Hub to access the internet and various Delhi University Library System resources. The College has added smart classrooms equipped with overhead projectors and separate departmental rooms. It has a grand auditorium and state-of-the-art seminar halls. A lift facility for the differently-abled students is also provided. The College has a branch of the Central Bank of India. The College has an RO water system. The Canteen is one of the largest in the University, serving a variety of cuisines. The College also has a photostat kiosk. It has a fitness centre, and medical facilities with an attending doctor are also available to the students. In our endeavour to promote ecological sustenance, the campus is fully equipped with a rainwater harvesting system, beautiful lawns and herbal gardens.

Dignitaries who graced our College in recent years

In keeping with the PGDAV tradition, the College has been inviting various dignitaries to the College to enthuse and encourage the students with their inspiring words. The President of India, Shri

Ramnath Kovind, graced and addressed the diamond jubilee celebrations of PGDAV College in early 2018. Mr. Rajiv Kumar (Vice Chairman of Niti Aayog), Mr. Manoj Tiwari (Delhi BJP Chief, MP, renowned singer, and superstar of Bhojpuri films), Shri Ashok Shrivastav (noted journalist) and Guru Kavita Diwedi (leading Odissi dancer), Anwar Khan Langa and his troupe, enhanced the various academic and cultural events of the 2018-19 session. Ms. Meenakshi Lekhi MP, Mr. Amish Devgan, CNN News 18 anchor and journalist, Mr. Rajendra Prasna (noted *bansuri vada* flute exponent), Mr. Anand Narshiman (noted CNN News 18 anchor and journalist) graced the College with their presence in 2019-20 academic year. The College had organised a 'Kavi Sammelan' where noted poets, namely – Arun Jamini, Abhishek Dwivedi and Deepak Gupta, were invited. Due to the unprecedented circumstances created by COVID-19 pandemic, the college hosted Mr. Sudhir Chaudhary (famous anchor and CEO, ZEE News), Mr. Suresh Prabhu (Rajya Sabha Member), and Mr. Atul Kothari (National Secretary, *Shiksha Sanskriti Utthan Nyas*) in various online meets in the academic year 2020-2021.

Undergraduate Programmes

Undergraduate Courses (Learning Outcomes-based Curriculum Framework)

B.A./ B.Com./ B.Sc. Honours

The Honours Programmes offered by the University of Delhi allow students to gain in-depth knowledge of their chosen discipline (Core Courses), as well as to sharpen their abilities by introducing additional discipline allied Skill Enhancement Courses (SECs). Along with the Core and SECs, all Honours students are required to take up a Generic Elective (GE) Course in any other discipline of their choice. This Generic Elective Course, while enabling them to broaden their horizons, is designed to equip them with the expertise to pursue a Postgraduate degree in that discipline, should they wish to do so. Broadly speaking, the chosen Honours course becomes the Major discipline, and the Generic Elective can be treated as the Minor discipline, in keeping with the undergraduate course structures worldwide.

B.A. Programme

Students of BA programme are introduced to diverse subjects of disciplinary and interdisciplinary nature. The programmes equip the students with broader academic orientation, opening multiple opportunities with a wide range of career options. The students are required to do a language course and opt for any one of the combinations as discipline courses from the table given below:

S. No.	Combinations of Discipline Subjects for BA. Programme	Total seats

B.Com.

B.Com. offers the students a variety of subjects to choose as Discipline Courses. Students are introduced to diverse subjects of disciplinary and interdisciplinary nature. The programme equips the students with broader academic orientation, opening multiple opportunities with a wide range of career options.

Students are required to choose any two Discipline Core subjects. They are also required to do Language courses.

Students who have not studied Hindi till Class VIII in school can opt for a paper in lieu of Hindi (Modern Indian Language, MIL) from History/ Political Science. However, they are required to clear a Compulsory Test in Hindi (CTH) as stipulated by the University. Foreign and North East students are exempted from CTH.

B.Sc. Mathematical Sciences

This course enables the students to acquire specialised skills in Mathematics, Statistics and Computer Science. The students completing this course have a range of career options in the IT sector, Data Analytics, Gaming algorithms and other technical fields. Students can opt for post-graduation in MCA, MSc, MBA and MS.

Every student is required to undertake an Ability Enhancement Compulsory Course in Environmental Studies and one language in addition to other courses opted by them.
