One Day Seminar on “Demystifying MBA”

29th August, 2022

COMMERCIIUM, the Commerce Society of PGDAV College, organized a seminar on “DEMYSTIFYING MBA” on 29th August, 2022, Monday in the New Seminar Hall of the college premises. It was the very first offline event of Commmercium of the session, 2022-23. This career counselling session organized under the supervision of our Convenor, Mr. Varun Gautam, focused on MBA which provides progressive career option in the business domain as well as increase brand value of the candidate before potential recruiters. The programme started at 10 am with the lamp lightening to seek blessings from goddess Saraswati by Principal, Prof. Krishna Sharma; Chief Guest and speaker, Mr. Navneet Anand, Teacher-in-charge, Dr Rakesh Kumar and other dignitaries.

After kindling the lamp, Mr. Navneet Anand was welcomed on the stage and was felicitated by Principal ma'am with a sapling, followed by Dr. Rakesh Kumar, TIC, who then felicitated principal ma'am with a sapling as a token of reverence. The session then proceeded with the uplifting words of Mr. Pradeep Kumar Dubey.

The Guest speaker, Mr. Navneet Anand, is a Head, MBA division, in Career Launcher. He is an MBA- BTech with 16 years of experience primarily in Retail Banking sector. He is alumnus of Narsee Monjee Institute of Management Studies (NMIMS). He briefed the students about the concept of MBA, its eligibility criteria, the top MBA colleges and the future prospects in this field. Since MBA offers specialization in many different business and

management streams, it is essential to weigh all the pros and cons of each before making a hasty decision. Further, he discussed about Niti Aayog internship which will help students to enhance their skills and will help them to improve their CVs. He also gave insights of how reading habits are an important part of one's life. The session was interactive followed by Question-Answer session. This helped the students in shaping their minds for the future. The programme wrapped up around 12pm. The session concluded with the vote of thanks from the Co-Convener, Ms. Gitu Nijhawan.

We received a total of 354 registrations out of which 158 appeared during seminar. The ratio of boys and girls was 54:46.

PGDAV COLLEGE: THE ORGANIZER

PGDAV College is one of the oldest constituents of the University of Delhi. It was established in 1957 with the vision of the Dayanand Anglo Vedic movement (DAV) for imparting world class education rooted in the Indian milieu.

The College presents a bouquet of thirteen vibrant undergraduate and four postgraduate courses across twelve disciplines where it offers both the Honours and Programme degrees at the undergraduate level. We have a team

of committed and highly qualified teaching faculty and supporting staff. Along with rigorous academic and intellectual training, the College also provides co-curricular and cultural activities for the students. Our wards excel in sports, fine arts, music, dance, and theatre. The College consistently receives numerous accolades in sports and has nurtured and groomed students to achieve distinctions at national and international levels.

Internal Quality Assurance Cell (IQAC)

PGDAV College has been actively pursuing quality development, improvement, and sustenance goals right since its inception so as to deliver excellence in all its endeavours. In this background the cell has been internalized as an integral part of the institution's systems and processes. The cell has calendar full of forthcoming events that will act as enablers and facilitators of quality management, especially in the sphere of dissemination and creation of knowledge.

Short Term Certificate Course

Business Law covers the rights and obligations of parties arising from business transactions. The Law of Contract is the most important branch of business law. It determines the circumstances under which promises made by contracting parties shall be legally binding on them. It also specifies remedies available against a person who fails to perform the contract. The law of contract ensures that whatever is promised shall be carried out by the parties. Thus, it ensures definiteness and certainty in business transactions. Moreover, most of the dealings of a common man are contractual in nature. Therefore, the law of contract affects the entire society. The understanding of the provisions of the Contract act is of great importance to all of us. The law relating to contracts in India is Indian Contract Act, 1872. The short-term course enhanced the

understanding of the student about provisions of the Indian Contract Act, 1872 and remedies for the breach of Contract.

Inaugural

The inaugural session of the 15-day and 30-hour short-term e-certificate course was held on 16th January 2023 at 4pm in virtual mode on Zoom platform. On behalf of the IQAC, PGDAV College and Team Analytica- The Research Society of the Department of Commerce, the session was inaugurated by our Principal ma'am, Prof Krishna Sharma ji and our Chief guest, Dean of Colleges, University of Delhi, Prof. Balaram Pani ji, under the supervision of Dr Rakesh Kumar, our teacher-in charge and Convenor of Team Analytica, and Dr Mini Walia, Course convenor. The session was attended by large number of students and other senior faculty members.

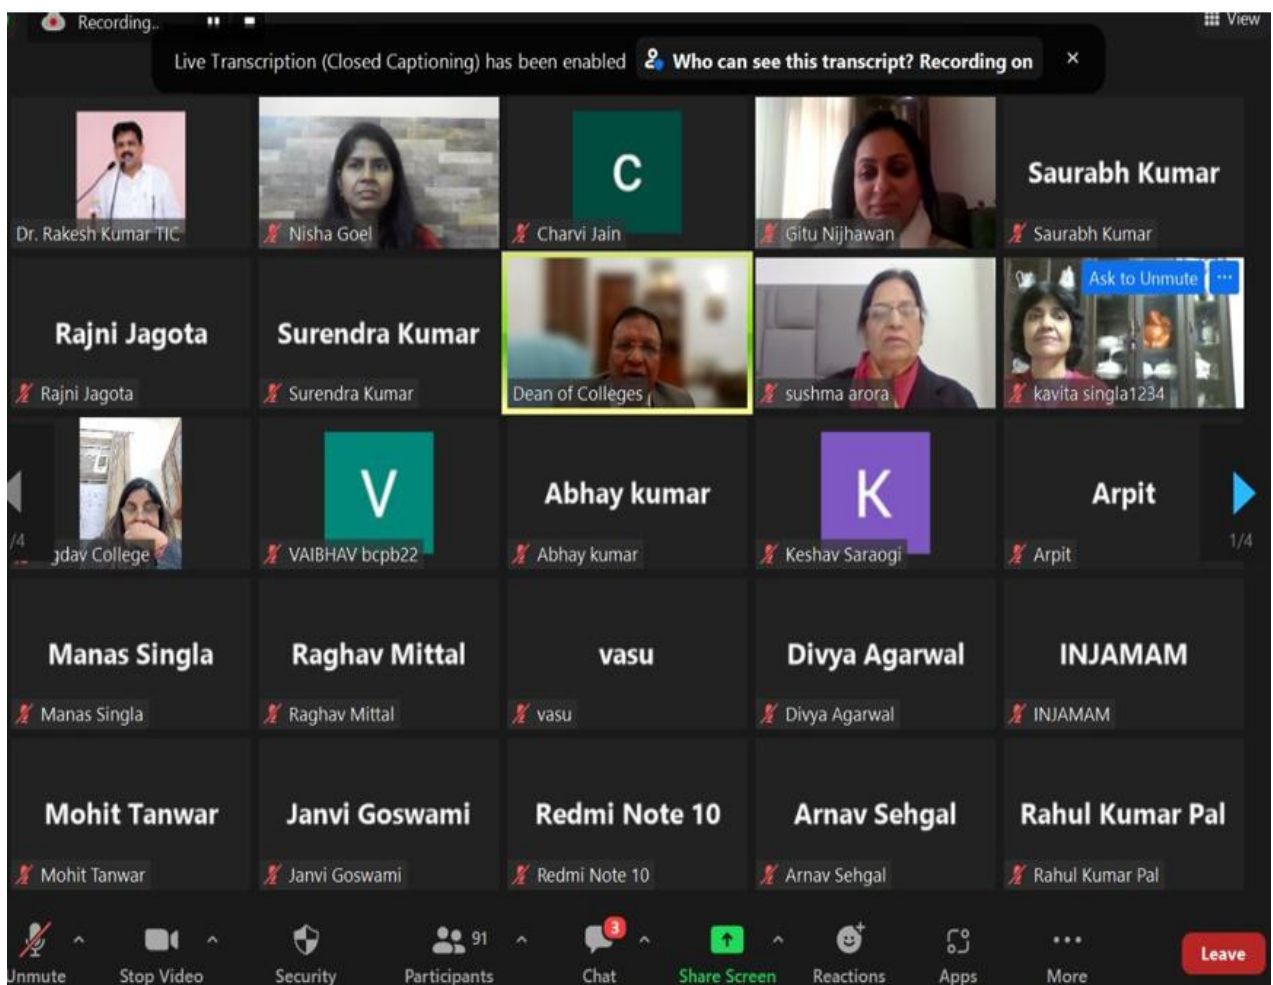

Day-1: 16th January, 2023

Resource Person: Dr. Sushma Arora

The Indian Contract Act, 1872- Overview

First session of Guest Speaker, Dr Sushma Arora, started at 4:30pm. She gave an inspiring presentation on the topic “The Indian Contract Act, 1872- Overview”. Her years of experience, depth of knowledge, and ability to present the material in an engaging manner made for one of the most memorable evenings of the session. The instructors and guest speakers were knowledgeable and engaging, and the course curriculum is tailored to provide students with the skills and knowledge needed to succeed in the industry.

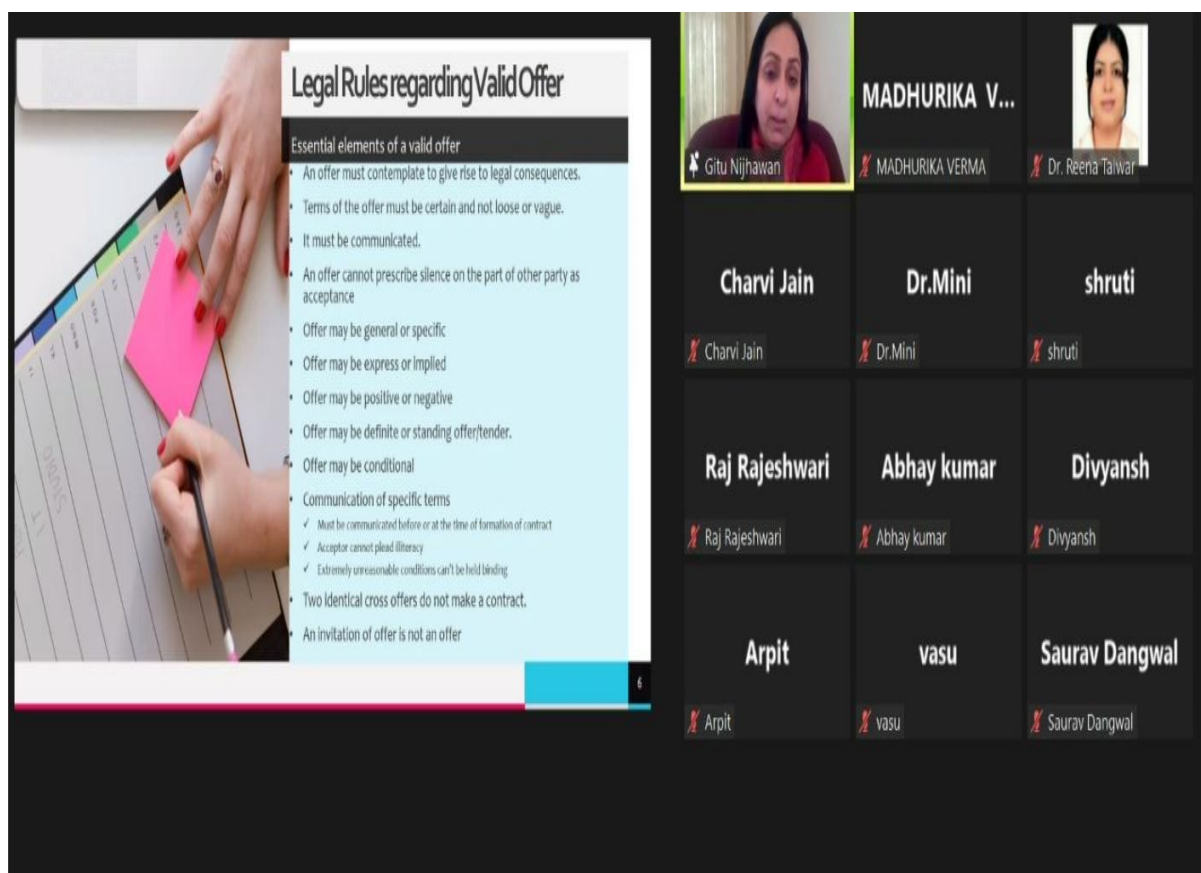

Day-2: 17th January 2023

Resource Person Ms. Gitu Nijhawan

Offer and Acceptance

Once the students understood the meaning of Contract and Types of Contracts in the first session, subsequent sessions were organized on the topic “Offer and Acceptance” on Day2, i.e., 17th January 2023. The speaker for these sessions was “Ms. Gitu Nijhawan”, who is currently working as Assistant Professor in the Department of Commerce at PGDAV College.

She explained the concept of offer and acceptance in a very simple language quoting lot of relevant examples to make the concept clear to the students. Her presentation included definition of offer, essential elements for making a valid contract, different types of offers, invitation to an offer, lapsation and revocation of an offer, types of acceptance, communication of acceptance along with relevant case laws related to the subject matter. The session was really informative for the students.

Doctrine of Consideration

A virtual session-3 on “Doctrine of Consideration” was organized by Team Analytica. The speaker of the webinar was Dr. Aakanksha Jain, faculty member in the department of commerce, P.G.D.A.V. College, University of Delhi. The speaker Dr. Aakanksha Jain addressed the audience and students by sharing her presentation of Doctrine of Consideration. She took the session forward by sharing her vast knowledge about the relevance of Doctrine of Consideration in the Indian Contract Act-1872, essential elements of consideration, determinants, essential rules regarding consideration, exceptions of the doctrine of consideration and privity of consideration. She had also highlighted some ways to empower the students in knowing the practical implications of the consideration in Indian Contract Act-1872. She had also explained some vital keys which should be kept in mind while exchanging goods and services.

It must have some value in the eyes of law –
A valuable consideration may consist either in some right, interest or property accruing to one party or some loss or responsibility suffered or undertaken by the other.
Example
A agrees to sell smuggled goods to B. this agreement is not valid as smuggled goods are illegal and have no value in the eyes of law.

It must be real not illusory –
The consideration should be real, i.e. it must not consist of impossible act or promise. It must not be illusory or sham, e.g. a promise to discover a treasure by magic.
The impossibilities can be categorized as:
▶ **Physical impossibility** – A promises to pay B Rs. 1,00,000 if B brings a star from the sky to the earth.

Parikalan - Department of Computer Science

Department of Computer Science organized various activities and events this year. Two days **online International Webinar on Breakthroughs in Computer Science** was held on 19th and 20th Feb 2023 with a participation of more than 100 members. The distinguished speakers were: Ms. Sunita Gulati (Sr. Director VISA, United States), Dr. Chandrika Kaushik (Director General, DRDO), Dr. Kalpana Johari (Director, CDAC) and Mr. Munish Bhasin (Director, Channels and Alliances, F5 India), Mr. Sourabh Tiwari (Director WIPRO Technologies, United States) and Ms. Shikha Malhotra.

The department was established in the year 1995 and this year the first batch completed 25years. An alumni meet C.A.P. – **Computer Science Alumni of PGDAV** was organized on 25th Feb. 2023 where the alumni who had graduated 20 or more years back were felicitated. On this day, teaching and non-teaching staff who had worked with the department in past were also invited. Alumni enjoyed the games, shared their experiences, and some of them also received their degrees that day. For them it was like walking back on the same path they all have once carved together. There was a rush of so many memories, flashing back together. They went back hoping to return every year to visit the good old campus with the same love, warmth, and happiness to etch beautiful memories in their hearts.

Different clubs under the parikalan society namely Quiz Bot, Net Weavers, RISE, Graphics, EWS and Code Bots conducted many activities throughout the session. Merchandise Designing Competition was held in February. Workshop on Advanced CSS was conducted by students and a seminar on Future of Tech was organized by IIITD student. The students of research club, RISE have been working diligently in the emerging fields with the intention of creating new algorithms and publishing papers.

The Google Developer Students club conducted various workshops and lectures on technical topics like GitHub, Web Development, Block chain etc. The student lead is chosen by Google and this year Jyoti of B.Sc. (Hons) Computer science was the student lead.

Xenium 23.0, The annual technical fest was organized on 15th April 2023. Students across the colleges from University of Delhi participated in technical events like Quiz Khalifa, E Tambola, Treasure Hunt, Jashn E Tech. Faculty also participated and enjoyed the event ETambola.

Geo-Crusaders

Geo-Crusaders - The Environmental Society of PGDAV (M) College is a team of dedicated students and faculties who work towards creating an intellectual and inclusive space for discussions around national and international environmental issues and events. The society organises many events and activities to promote an environment of inquisitiveness and to create awareness about recent environmental issues.

Following are the activities that we conducted this year:

International Webinar on World Environment Day

The Department of Environmental Studies and Geo-crusaders society has organised an international seminar (virtual mode) on June 5, 2022 to celebrate World Environment Day with the objective to educate students of the environmental crisis and e-waste that harms our mother Earth. The seminar was graced by the speaker Dr. Anwasha Borthakur, Research Fellow at KU Leuven, Belgium; Dr. Gaurav Kumar, Convenor; Dr. Richa Agarwal and Dr Pardeep Singh, Co-Convenor. Dr. Anwasha Borthakur discussed the issue of climate change and its impact on the world. She raised the issue of how adversely e-waste could impact on our health and nature and also laid down the possible solutions for combating this contingency that engulfs our earth. Her presentation through various slides was interactive and engaging for the participants. The webinar was attended by hundred participants who gave a positive response and raised their queries on the issues of e-waste.

World Ocean Day

On June 8, 2022 we celebrated World Ocean Day to make people aware of the importance of taking care of the oceans and marine wildlife.

World Day to Combat Desertification and Drought

On June 17, 2022 Team GeoCrusaders observed World Day to Combat Desertification and Drought to popularise the importance of taking care of the deserts and preventing droughts.

Say No to Plastic

On July 3rd, 2022 Team GeoCrusaders observed the Say No to Plastic event to spread the awareness of banning the usage of plastic and the degradation that comes along with excessive plastic use.

Van Mahotsav

Van Mahotsav is an annual one-week tree-planting festival in India which is celebrated in the first week of July. Team GeoCrusaders also celebrated Van Mahotsav week from 1st July to 7th July with multiple social media posts and informational sessions.

Visit to the Climate Justice Library

On 14 July, 2022 the Geo-Crusader Society visited the Climate Justice Library located at the South Extension, New Delhi. The aim of this visit was to discover the undiscovered environmental resources for the general public. The library has a comfortable ambience along with around three hundred and fifty myriad environmental books for research purposes. The library contains a heterogenous content of books. Books from ICEL (International Council of Environmental Law) can also be found here which usually are not available to the public. Thus, making climate education accessible to all.

International Tiger Day

Global Tiger Day is celebrated every year on July 29th as a way to raise awareness about this magnificent but endangered big cat. The day was founded in 2010 when the 13 tiger range countries came together to create Tx2 – the global goal to double the number of wild tigers by the year 2022. Team Geo-Crusaders observed and celebrated the event in full spirits.

International Mangrove Day

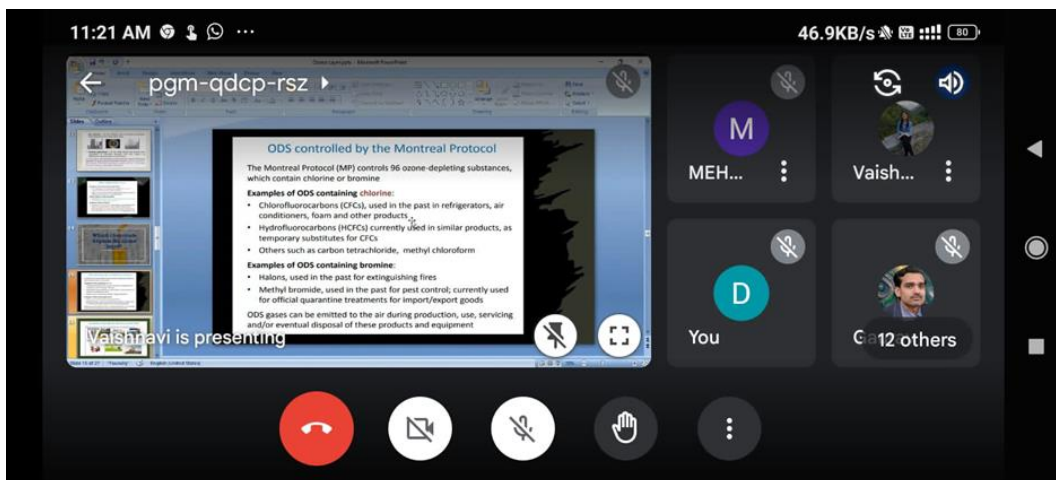

World Mangrove Day is celebrated on 26th July every year. It is officially referred to as the International Day for the Conservation of the Mangrove Ecosystem. Team Geo-Crusaders had the opportunity to observe the event via online campaigns.

World Elephant Day

The day is observed with the aim to reach out to people and educate them on the plight of elephants. World Elephant Day observed on August 12 is one way of recognizing the importance of elephants.

International Day for Preservation of the Ozone Layer

On September 16, we observed International Day for the Preservation of the Ozone Layer. The event was organized as a one-day international seminar with Vaishnavi Verma, a Graduate Teaching Assistant at the University of Kansas. The event saw the participation of over fifty students and academicians. Ms. Verma talked about the importance of the ozone and ways for its preservation.

One-day Workshop on ‘Extraction and Restoration of Ficus Tree Saplings’

On 22nd November the Geo-Crusader society organized a one-day workshop on ‘Extraction and Restoration of Ficus Tree Saplings’ to celebrate the centenary year of University of Delhi. The workshop was held on the college campus. The event was conducted under the guidance of Mr. Vineet Vohra, the resource person from Give Me Tree Trust. It is also administered by our Convener, Professor Gaurav Kumar and Co-Convener, Professor Richa Agarwal. The objective of the event was to educate students to perform necessary activities for the plantation of Ficus

saplings and also to make them aware of the importance of environmental activities. Students took part in the extraction of the saplings around the corners of the college campus enthusiastically. They were well-guided by the resource person on the proper method of extraction of such saplings by their roots. The students were informed about the use of aloe vera in the growth of saplings and were shown the mixing process as well. The workshop helped in gaining the knowledge for the proper extraction and plantation of saplings so that students can use this experience in the future for the proper plantation.

World Zebra Day

On January 31 people around the world celebrate International Zebra Day. The purpose of the day is to spread knowledge about how you can support the conservation of this animal.

World Wetlands Day

On February 2, 2023 the Environmental Society of PGDAV College (M) organized an in-house event on World Wetlands Day conducted by the Convener of the Society Dr Gaurav Kumar. The event started with a lamp-lighting ceremony and *Saraswati Vandana*. Dr. Gaurav Kumar began the seminar on the theme 'Our Consumption Is More than Recharge'. Then he proceeded further by introducing the students to topics related to World Wetlands Day. He explained wetlands as a distinct ecosystem that is flooded or saturated by water, either permanently or seasonally. He also made the students aware of the Ramsar Convention named after Ramsar, a city in Iran. The Ramsar Convention, an International Treaty signed on 2nd February, 1971, provides a framework for the conservation and use of wetlands and their resources for sustainable development. India has a total number of seventy-five Ramsar sites covering an area of 13,26,677 ha. Tamil Nadu has the maximum number of Ramsar sites (14) followed by Uttar Pradesh(10). Not only this, but he also spelled out the qualifying criteria to be a Ramsar site. Dr. Gaurav Kumar went into the detail of seaweed which is the common name for countless species of marine plants and algae that grow in

the ocean as well as in rivers, lakes, and other water bodies. The theme for this year's World

Wetlands Day was 'It's Time for Wetlands Restoration'.

Cleanliness Drive

On February 8, 2023 the Environmental Society of PGDAV College (M) organized a cleanliness drive on the college campus. The drive was conducted under the patronage of the Convener of the society Dr. Gaurav Kumar. The cleanliness drive was a wonderful experience for students as they are the major role players to raise awareness on the issues of cleanliness in one's neighbourhood. The event saw the participation of around twenty-five students. We were overwhelmed with the response and decided to keep working towards the environmental causes in future also.

World Wildlife Day

On March 3, 2023, the Environmental society organized an in-house event on World Wildlife Day. It was conducted by the Convener of the Society, Dr. Gaurav Kumar and our Co-Convenor, Dr. Richa Aggarwal and Dr. Pardeep Singh. Dr Gaurav Kumar began the seminar by making the students aware about wildlife and asked them to join the society since saving the environment is

the need of the hour. The theme for this year's World Wildlife Day was 'Partnerships for Wildlife Conservation'. The talk was highly insightful and students learnt about the major different endangered species and also the ways in which governments around the world are trying to maintain their population levels. The event saw the participation of around twenty-five students and the outcome of the event was very satisfying and motivating.

World Water Day

World Water Day is a global United Nations observance day celebrated every year on 22nd March to raise awareness about the value of freshwater and a call for the wise use of freshwater resources. Team Geo-Crusaders celebrated this event with online posts and informational sessions on social media.

International Day of Forests

The International Day of Forests is celebrated to raise awareness of the importance of all types of forests. This year, the theme for 2023 was 'Forests and Health'. The event was headed by Mr Sahil from Give Me Trees Foundation. He spoke on how forest sustainable management and their use of resources are key to combating climate change, and how they contribute to the prosperity and well-being of current and future generations. Forests also play a crucial role in poverty alleviation and in the achievement of the Sustainable Development Goals (SDGs). Despite all these priceless ecological, economic, social and health benefits, forests are endangered by fires, pests, droughts, and unprecedented deforestation.

The team of Geo-Crusaders is also active in its campaigning. Till now it has done two events related to 'Coal Mining' and 'Climate Strikes' for providing awareness to people so they can take action on contingent issues. Currently, we are working on a Cleaner Campaign. We have reached three cities namely, Faridabad, Lucknow and Delhi so that we could mobilise people by making them aware why pollution is harmful to them.

REPORT OF THE DEPARTMENT OF POLITICAL SCIENCE (2022-23)

SAMVAAD, The Political Science Society of P.G.D.A.V. College is among the most consistently active and renowned societies of P.G.D.A.V. College. It has proactively been organising a plethora of events and competitions over the year for the overall development of our students, nurturing them and giving them a platform to develop, explore and progress their skills through organising extracurricular and co-curricular activities. The Political Science Department at P.G.D.A.V. College was established in 1972 and hence in 2022 the department celebrates its Golden Jubilee year. In the past five decades the department has been flourishing with every passing year and produced some of the best students and professionals.

Like each academic year, this year also “SAMVAAD” on the basis of interviews held on September 20, 2022 taken by our esteemed faculty members appointed its student cabinet which began working in full swing. It comprised of the following students: -

- Yashasvi Bhati - President
- Dhanish Choubisa - Vice President
- Manya Joshi - Secretary
- Rohan Chopra - Secretary
- Shweta Kumari - Secretary
- Ritika Yadav - Secretary
- Ayush Sankrit - Treasurer
- Yashika Sharma - Treasurer
- Akanksha Sahu - Treasurer
- Mubarak Ali - Treasurer

On 28th September 2022, SAMVAAD successfully organised a guest speaker session which was graced by Prof. Sanjay Kumar sir, who enlightened us with knowledge relating to the topic “Recent electoral trends and changing voting behaviour in Indian Politics”.

“If I seem to take part in politics, it is only because politics encircles us today like the coil of a snake from which one cannot get out, no matter how much one tries. I wish therefore to wrestle with the snake.” Following this quote of Mahatma Gandhi, SAMVAAD in collaboration with GANDHI

STUDY CIRCLE, P.G.D.A.V College(M) organised a lecture on 30th September 2022 by Dr. Rinku Lamba, Associate Professor, National Law School of India University, Bengaluru for the occasion of Gandhi Jayanti.

7th October 2022 marked the beginning of yet another initiative of SAMVAAD aimed at creating an intellectual space & platform to produce ideas solutions to contemporary issues, we call it as, "Friday For SAMVAAD". It runs every Friday with preset agendas put to debate & discussion. Till now, we have completed 18 deliberative and informative sessions.

Students visited the Parliament of India on November 10, 2022. It was surreal & enlightening for all the students to see the houses of the parliament in person. On 16th November, 2022 Samvaad organised its 'Orientation Program' to officially welcome and induct the Freshers who joined the Political Science (Hons.) course in the 1st year. The orientation was held under the guidance of Teacher in Charge Dr. Duryodhan Nahak and was attended by all the esteemed members of the faculty of the Department of Political Science, who addressed the freshers, warmly welcoming them to the department and giving their best wishes.

What better time to discuss the constitution than its birthday month? SAMVAAD, organised a 2 hour intense speaker session on 29 November 2022, on the topic, "Constitutional moments in Indian Democracy" and invited the most renowned Professor of the Centre for Political Studies (CPS), Jawaharlal Nehru University (JNU), Prof. Anupama Roy.

On 24 & 25th January, 2023 Samvaad organised its hallmark event "Know your Republic" (KYR) on the occasion of Republic Day. Under the two-day celebrations we organised an Inter-college Debate competition, Policy Analysis competition, Open Mic competition and a Treasure Hunt competition. The KYR celebrations were graced by Sudhanshu Ranjan a senior journalist of Doordarshan who presented a highly insightful seminar on the Independence of Judiciary and the Collegium System.

On 06th February, 2023 SAMVAAD organised "Parichay '22" the official freshers' party to welcome our first year students to the college. Our newcomers set the stage on blaze. Smoldering in ferocious, spooky characters, they turned the atmosphere into a pit of sparkling stardoms. February 10, 2023 Samvaad conducted a General Body Meeting of faculty members and students of department of political science in which we welcomed new faculty members and also discussed the upcoming events of the department.

Learning is a ubiquitous process which is not limited to the four walls of the classroom. Hence, SAMVAAD organised an educational Departmental Trip for the students to Dalhousie & Khajjiar from 06th April to 09th April 2023. A visit to some spectacular places like Gandhi Chowk, Panjpulla and Switzerland of India- Khajjiar where we enjoyed several adventurous activities like horse riding,

paragliding, zorbing etc. The experiences of the journey with fellow students and members of faculty of the department certainly will be cherished by all.

College life can be overwhelming, especially when you combine studying with co-curricular activities. SAMVAAD is one such platform where you can develop, explore and progress your skills through organising extra-curricular activities.

College had a successful academic year 2022-2023, marked by growth and innovation.

We remain committed to providing high-quality education to our students and creating a welcoming environment that fosters learning and personal growth. We look forward to continuing to serve our students and community in the years to come.

Future Plans and Recommendations

The Department unanimously decided to bring more rigour in student involvement with group discussions, visual presentations, projects and heritage walks. Department plans hold more academic activities like Talks, seminars, paper presentations etc where students involve themselves into research work and come up with their own ideas and views on various aspects of Historical developments. Department also plans to help Hindi medium students as much as possible with Hindi readings, discussion with them separately on various topics related to their course during remedial/ mentorship classes.

Department of Statistics

Report of Statistics Dept. Society “Sankhyiki” 2022-23

The Statistics Department of P.G.D.A.V. College organized its annual festival "SKEWSION'23" on 11th April, 2023, which included a range of activities such as invited talk by prominent statistician, paper presentation competition, chess competition, statistics guessing quiz and anime quiz. The event was aimed at providing a platform for students to showcase their skills and talents in various fields, as well as to gain knowledge through invited talk.

The fest began with lamp lighting and Saraswati Vandana. Prof. Anish Sarkar from the prestigious Indian Statistical Institute, Delhi delivered a talk on the topic "From Real world to Statistical world". He provided valuable insights on how to apply theoretical knowledge to practical situations.

Young Researcher's Forum, a paper presentation competition was held in which students from various colleges/ universities presented their research papers on topics related to statistics, mathematics, computer science and economics. The competition provided a platform for students to showcase their research skills and encouraged them to think critically.

Simultaneously, Battle of kings- a chess competition, Taboo De Statistica- a statistics quiz, Otaku's rumble-an anime quiz, were held in the event. The winners were awarded with special prizes.

The event was an excellent opportunity for students to engage in various brain-stimulating activities and further their academic and professional growth. The Statistics Department is looking forward to organizing more such events in the future to promote academic excellence and foster a culture of healthy competition among students.

संस्कृत विभागीय कार्यक्रम विवरण 2022-23

संस्कृत विभाग के द्वारा सत्र- 2022-23 में 01 फरवरी 2023 से 11 फरवरी 2023 तक एक दश दिवसीय संस्कृत संभाषण शिविर का आयोजन किया गया।

यह संभाषण शिविर 01 फरवरी 2023 को बहुत ही गरिमामय तरीके से शुरू हुआ था। उद्घाटन के विशेष अवसर पर संस्कृत भारती, दिल्ली प्रांत के वरिष्ठतम दायित्ववान महामंत्री श्री सुशील कुमार उपस्थित थे। इस अवसर पर श्री सुशील कुमार ने कहा कि आज प्रथम दिन है संस्कृत में बोलिए आपका भाषा का संस्कार बनेगा। देश के पहले कानून मंत्री बाबा साहेब भारत रत्न भीमराव अंबेडकर ने 1947 में कहा था कि भारत की राजभाषा संस्कृत ही होनी चाहिए। भारत को भारत से जोड़ने की भाषा केवल संस्कृत है। इस शिविर में 30 से अधिक छात्र छात्राओं ने भाग लिया।

पी.जी.डी.ए.वी. कॉलेज में आइ.क्यू.ए.सी, संस्कृत विभाग की अकादमिक ईकाई संस्कृत समवाय और संस्कृत भारती, दिल्ली प्रांत के संयुक्त तत्वावधान में आयोजित दश दिवसीय संस्कृत संभाषण शिविर के समापन समारोह में मुख्य अतिथि के रूप में कॉलेज की प्राचार्या प्रो. कृष्णा शर्मा ने कहा कि संस्कृत के अध्ययन को डिग्री तक सीमित नहीं रखें और न ही स्वयं अपने तक रखें। मैकाले की शिक्षा पद्धति ने हमारी ज्ञान परम्परा को ही ध्वंस्त कर दिया है। अथाह ज्ञान के सागर से ही हम सबको दूर कर दिया था। अब राष्ट्रीय शिक्षा नीति 2020 के बाद बहुत अंतर आ गया है। इसलिए हम सबको व्यक्तिगत रूप से अध्यापकों के साथ महाविद्यालय से लेकर घर परिवार में भी इसकी महत्ता का प्रचार प्रसार करना चाहिए। संस्कृत की महिमा को शब्दों में आंका नहीं जा सकता। मुझे एक ही कमी खलती है कि अभी तक संस्कृत के महत्व को जनसाधारण तक नहीं पहुंचाया जा सका है। आप सबको इसके प्रचार प्रसार के लिए आह्वान करती हूं। आप सबके हाथ में मोबाइल फोन है, और सभी सोशल मीडिया पर सक्रिय हैं, वहां पर संस्कृत के महत्व को प्रचारित कीजिए। इस अवसर पर अपने शुरुआती संबोधन में संस्कृत विभाग, पी. जी. डी. ए.वी. कॉलेज के विभागाध्यक्ष प्रो. दिलीप कुमार झा ने कहा कि देश विदेश में संस्कृत का पठन पाठन कैसे हो, इसके

लिए सुशील जी लगातार प्रयास करते रहते हैं। भाषा के महत्व को रेखांकित करते हुए उन्होंने कहा कि अंग्रेज 75 वर्ष पहले चले गए लेकिन उनके द्वारा बनाए गए दासता के प्रतीक अभी भी काफी संख्या में बचे हुए हैं। अभी हाल ही में राजपथ का नाम बदलकर कर्तव्य-पथ किया गया है, शब्दों में कितना आकर्षण होता है यह देखिए कि पूरा का पूरा भाव बदल गया।

पीजीडीएवी कॉलेज संस्कृत विभाग के वरिष्ठ प्रोफेसर गिरिधर गोपाल शर्मा ने अंत में कहा कि कक्षा में जरूर उपस्थित रहें, आप जितना पढ़ोगे भाषा में उतनी ही निपुणता एवं दक्षता आएगी। इस संभाषण शिविर को विभाग की तरफ से संस्कृत भारती के द्वारा प्रत्येक शैक्षणिक वर्ष में आयोजित किया जाता है। कोरोना काल में भी संभाषण शिविर का आयोजन ऑनलाइन माध्यम से किया गया था। प्रथम वर्ष एवं द्वितीय वर्ष के बच्चों को पाठ्यक्रम में लगे हुए पेपर को पढ़ने में इस संभाषण शिविर से बहुत सहायता मिलती है। बच्चों को सही अर्थों में बहुत आनंद आएगा और जीवन पर्यंत इसका लाभ मिलता रहेगा। इसलिए आप सभी इस दो घंटे की कक्षा में उपस्थित होकर ज्यादा से ज्यादा संस्कृत बोलने का अभ्यास करें। इस अवसर पर विभाग के सभी प्राध्यापक उपस्थित थे।
