Being a special day for the children , the team played music and ensured that everyone including the volunteers enjoyed dance and had a blast.

Report on "Cleanliness Drive"

The "Environmental Society of PGDAV College" organized a cleanliness drive in the college campus on February 8, 2023. The drive was conducted under the patronage of the convener of the society. The cleanliness drive was a wonderful experience for students as they are the major role players to raise awareness on the issues of cleanliness in one's neighbourhood. The event saw the participation of around twenty-five students. We were overwhelmed with the response and decided to keep working towards the environmental causes in future also.

Report on “International Tiger Day”

Global Tiger Day is celebrated every year on July 29th to raise awareness about this magnificent but endangered big cat. The day was founded in 2010 when the 13 tiger range countries came together to create Tx2 – the global goal to double the number of wild tigers by the year 2022. Team Geo-Crusaders, Environmental society of PGDAV College, observed and celebrated the event in full spirits.

Report on "World wetland day"

On February 2, 2023 the Environmental Society of PGDAV College organized an in-house event on World Wetland Day conducted by the Convener of the Society Dr Gaurav Kumar. Dr Gaurav Kumar began the seminar on the theme 'Our Consumption Is More than Recharge'. Then he proceeded further by introducing the students to topics related to World Wetlands Day. He explained wetlands as a distinct ecosystem that is flooded or saturated by water, either permanently or seasonally. He also made the students aware of the Ramsar Convention named after Ramsar, a city in Iran. The Ramsar Convention, an International Treaty signed on 2nd February, 1971, provides a framework for the conservation and use of wetlands and their resources for sustainable development. India has a total number of seventy-five Ramsar sites covering an area of 13,26,677 ha. Tamil Nadu has the maximum number of Ramsar sites (14) followed by Uttar Pradesh (10). Not only this, but he also spelled out the qualifying criteria to be a Ramsar site.

Report on world wildlife day

On March 3, 2023, the Environmental society organized an in-house event on World Wildlife Day. It was conducted by the Convener of the Society, Dr. Gaurav Kumar and our Co-Convenor, Dr. Richa Aggarwal and Dr. Pardeep Singh. Dr Gaurav Kumar began the seminar by making the students aware about wildlife and asked them to join the society since saving the environment is the need of the hour. The theme for this year's World Wildlife Day was 'Partnerships for Wildlife Conservation'. The talk was highly insightful and students learnt about the major different endangered species and also the ways in which governments around the world are trying to maintain their population levels. The event saw the participation of around twenty-five students and the outcome of the event was very satisfying and motivating.

Report on “Visit to the Climate Justice Library”

On 14 July, 2022 the Geo-Crusader, Environmental society of PGDAV College, visited the Climate Justice Library located at the South Extension, New Delhi. The aim of this visit was to discover the undiscovered environmental resources for the public. The library has a comfortable ambience along with around three hundred and fifty myriad environmental books for research purposes. The library contains a heterogenous content of books. Books from ICEL (International Council of Environmental Law) can also be found here which usually are not available to the public. Thus, making climate education accessible to all.
