A rigorous process that had been statistically tested was administered to ensure that unique types of questions were framed under a specific topic across the question papers. Normal spread was ensured so that there was no unfair advantage to candidates who opted for any specific test / multiple tests. This has ensured normalization of the spread of questions across sections. Furthermore, the question papers were normalized for level of difficulty across all three sets. No correspondence regarding this will be entertained.
2. The SNAP Test 2022 percentile score is sent to only those Post Graduate Institute(s) of Symbiosis International (Deemed University) where you have paid for that Institute(s) programme(s).

5. Any unlawful attempt or concealment of material facts by a candidate at any stage of the admission process discovered during or after the admission has been granted shall result in the cancellation of candidature.
