## Hyperion - The Cultural Society

Hyperion: The Cultural Society of P.G.D.A.V. (M) has always bustled with multiple activities throughout the session. This year was also remarkable as we resumed our traditional method of offline learning and faced many challenges which helped us emerge stronger than ever. Hyperion started its work from the ECA admission process. We got nine admissions under ECA, but that was not a deterrent for the team and new students. We added over two hundred and fifty new students to the societies through college auditions.

Session 2022-23 was one of its kind for the cultural committee as both the faculty and core team put in their best effort to make our college proud. Hyperion undertook the challenge to organise multiple events:

### Teacher's Day

The session started with the celebration of Teacher's Day on September 5, 2022. This was the first time in the history of the cultural committee to experience an event dedicated to our esteemed teachers which was conducted with excitement and zeal. The event was a kick start for the team Hyperion which further motivated us to organise more such events.

### Agomoni 2022

To celebrate the homecoming of Maa Durga and seek her blessings, we hosted 'Agomoni 2022'. We celebrated the occasion with Indian classical music, Indian classical dance, and a handful of joyous performances with a full fledged Dhaker Baddi (the sound of Dhaak) to give the audience a taste of the traditional Durga Puja.

### Orientation Programme

Hyperion also organised an orientation programme on 17th November, 2022 for the freshers to provide them with insights of the diversity that existed under Hyperion in the form of sub-societies. Every sub society took up this opportunity to attract juniors who wanted to join different societies according to their interests.

Our event diary does not stop here, and it is followed by two flagship events that are conducted every year and have been a legacy for long.

## Exploranza 23

'Exploranza'23 was the first offline event after a gap of three years and the cultural committee took up the task to celebrate it with full confidence and commitment and a total of twenty-four events were held this session. Annual Freshers hunt for the session 2022-23 was held from 28th January, 2023 to 2nd February, 2023. The participation of freshers was eye-catching, and it made the event even more exuberant and special. Also, winners from each event were rewarded with exciting cash prizes. It provided freshers an opportunity to showcase their talents and secure their positions in their favourite societies. This event was a huge success under the management of the cultural committee.

## Arohana (आरोहण )

The annual cultural fest of P.G.D.A.V. (M) underwent a change of its name from Aaghaz to Arohana (आरोहण). Arohana means 'rising upwards'. A name we gave to our annual cultural fest to symbolise the indomitable spirit and the unchecked growth of the young ignited minds. Apart from that, a three-day fest from 14th- 16th February did not just limit itself to college premises as there was a change in venue on the third day of the fest. We decided to organise the closing ceremony at Zorawar Auditorium, Manekshaw Centre, Delhi Cantt. Theme for Arohana'23 was 'G-20 Presidency: Emergence of आरोहण as the Global Leader'. Sh. Ramesh Bidhuri, Member of Lok Sabha, graced our fest on 15th February, 2023 as the honourable chief guest. This fest would have been incomplete without the limerick session by Mr. Arun Gemini.

The DJ night was the final event of day-2 where everybody tapped their feet with the rhythm of BEATCRUSH.

There were also a series of competitions ranging from music, dance, gaming, quizzing and many more which attracted towards itself the crowd from whole DU circuit and made Arohana's competition a spectacle. All these milestones covered by the cultural society would not have been possible without the support of our teachers and respected Principal ma'am.
