**Quality Audits**

## 7.1.6 Quality audits on environment and energy are regularly undertaken by the institution

### Beyond the campus environmental promotional activities

#### I. Visit to the Climate Justice Library

On July 14, 2022, members of the Geo-Crusader Society from PGDAV College visited the Climate Justice Library located in South Extension, New Delhi. The purpose of this visit was to explore the library's extensive collection of environmental resources and make them accessible to the college community. The Climate Justice Library offers a comfortable environment and houses approximately three hundred and fifty environmental books, including rare materials from the International Council of Environmental Law (ICEL). This diverse collection provides valuable resources for research and education on environmental issues, contributing to the college's commitment to environmental awareness and sustainability.

## II. Mega Swachhta Drive

On October 19, 2022, PGDAV College actively participated in the Mega Swachhta Drive launched at Chandni Chowk, New Delhi. Led by Union Minister Shri Anurag Singh Thakur, the drive aimed to clean the streets and collect one crore kilograms of plastic waste nationwide.

Three volunteers represented NSS PGDAV College during the cleanliness drive. Their active involvement exemplified the college's dedication to environmental stewardship and community engagement.
