Report of Equal Opportunity Cell for the Academic Year 2021-2022

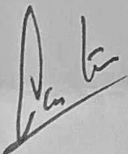

The Equal Opportunity Cell of PGDAV College addresses the issues related to students from all SC/ST/OBC/PwBD/EWS. The Cell helps and empowers them to fully participate in the academic, social and cultural life of the college.

The Enabling Unit of the College, *Swashrit* meets the requirements of the differently-abled students. The college has an inclusive infrastructure where two elevators are installed to make the college premises easily accessible to the students. In the present academic year, the college purchased a new wheel chair and also provided hearing aid device to meet the specific requirements of two students.

The college has a long association with *Help the Blind Foundation*, and we provide financial assistance to visually impaired students. Some skill-enhancement and career development programmes were also organized throughout the year.

There is a computer lab, especially designed for differently-abled students in library of the college. All the computers are equipped with screen-reading software, ANGEL DAISY Reader, MP 3 Players, microphone and Lex Portable Camera for accessing Braille library resources and audio-recordings. The college also issues laptops specially designed for visually-impaired students for their whole academic session to support their academic activities.

A timely survey of all the infrastructure is conducted by the Cell for regular review of the accessibility and efficacy of the infrastructure.

Coordinator

(Varun Gautam)
