Prof Krishna Sharma spoke in detail about the initiatives and steps that are being undertaken for the improvement of the College and the NAAC grade. Ms. Anu Kapur supplemented the initiatives by outlining the main areas that are going to be the focus for this academic year.

These areas were listed as follows:

1. To strengthen the alumni base of the College.
2. To make the College more PwD friendly. Tactile tiles are to be laid down for the purpose. The Equal Opportunity Cell is to be shifted to the ground floor for easier accessibility.
3. Skill Enhancement Courses and Certificate Courses to be offered regularly.
4. FDPs for staff members are also to be offered.
5. General Environment of the College is to be improved. Apart from increasing the green cover a fruit garden, butterfly conservatory is to be set up. Native trees like palaash are to be planted. The boundary wall is to be beautified with creepers. An E-waste cell and a compost cell already exist in the College. The College will also try to have a green audit.

Undertake such initiatives.

7. Encourage the research culture in the College. Have a Central Institutional Committee to discuss and encourage research projects. The College is also thinking of coming out with Journal.

8. The College website is to be improved and professional help has already been engaged for the purpose.

Dr. Ajay Suri laid emphasis on the importance of library and latest journals. The faculty members should be encouraged to use the library facilities on a daily basis and share their readings with their colleagues. He also suggested that the College should invest in going through the upcoming NEP and plan the future of the College in conjunction with it. It was also pointed out that due to COVID, the logistics of offering skill development courses is being hampered and we should find ways to tackle such issues

Dr. Satish Khosla offered to help the College to collaborate with a private company and offer training on block chain technology for our students. In fact he suggested that once set up the College could offer the same course to the students of other DAV institutions. This collaboration he said would come at zero cost to the College. He also expressed keen desire to be associated with the steps that College would take regarding making the campus PwD friendly. He offered to provide funding for the QR coding (??).

Dr. Mukesh Agarwal also emphasized the important role that alumni can play in the development of the College.

The meeting ended with vote of thanks followed by a prayer.

4. To raise social consciousness and responsible behaviour in society. Towards this objective, Enactus plans to launch 'Nistaaran' to specifically conduct cleanliness drives. The Society also plans a special sustainable waste management drive through the creative concept of transforming cow-dung into usable incense sticks.

5. To continue Remedial Classes for students at the end of every semester.

6. To appoint a professional psychologist keeping in view the increasing social, emotional, and mental health issues faced by young people today. It was felt that the youth when facing problems were at risk in believing and adopting self-damaging measures readily available on the social media and other platforms without ratifying the source of the information or competence of the people available on various sites. The College plans to ensure that help and consultation is easily available and accessible on campus from bonafide experienced professional. It was proposed that inter alia, the service of a trained psychologist may be availed of.

Dr. Mukesh Aggarwal chaired the meeting.

The meeting ended with vote of thanks to the chair.
