From the Principal's Desk

Established in 1957, PGDAV College is among the oldest and most distinguished constituent colleges of the University of Delhi. Founded to address the growing need for quality higher education in a newly independent and rapidly developing nation, the college has consistently upheld a tradition of academic excellence and social responsibility.

Inspired by the ideals of Maharshi Swami Dayanand Saraswati, PGDAV College is an integral part of the rich legacy of the Dayanand Anglo Vedic (DAV) Movement, a pioneering social reform initiative that has significantly influenced education and nation-building since the nineteenth century. Maharshi Dayanand envisioned a system of modern education rooted in Indian values, a vision that continues to guide the institution. In his seminal work, *Satyarth Prakash*, he emphasized that education is a means of acquiring knowledge, culture, self-discipline, righteousness, and other virtues while dispelling ignorance and social evils. He viewed education as a pathway to ethical conduct, compassionate action, and the greater welfare of society.

Guided by these principles, PGDAV College strives to provide a harmonious blend of *Shiksha* (education) and *Samskara* (values), fostering intellectual growth alongside character development. The college currently offers undergraduate Honours and Programme degrees across 12 disciplines through 13 diverse courses, along with four postgraduate programmes designed to meet contemporary academic and professional aspirations.

The institution boasts state-of-the-art infrastructure, including smart classrooms, modern laboratories, conference halls, spacious and well-equipped Seminar halls, an automated library, and world-class sports and coaching facilities. Supported by a dedicated and student-friendly faculty and administrative staff, these resources create a conducive environment for holistic learning and development.

At PGDAV College, education extends beyond the classroom. Co-curricular, cultural, and extracurricular activities are essential components of the learning experience. The college is

committed to *Sarvangin Vikas* (holistic development) by providing opportunities, guidance, and training in sports, fine arts, music, dance, theatre, and numerous other creative and leadership pursuits. Students of the college have consistently earned recognition and accolades at national and international levels, and the institution proudly counts many renowned sportspersons, artists, and professionals among its alumni. To further support academic excellence and inclusivity, the college offers a range of scholarships, studentships, and financial assistance programmes.

Committed to fostering stronger and more inclusive communities, PGDAV College actively promotes equitable access to education. Special emphasis is placed on supporting differently-abled students through accessible infrastructure, dedicated facilities, and a proactive Enabling Cell that works to create a sensitive, supportive, and empowering learning environment.

The college's commitment to inclusivity and educational innovation became even more pronounced during and after the COVID-19 pandemic. Through the efforts of its highly qualified faculty and support staff, PGDAV College successfully adopted innovative teaching methodologies and digital learning resources to ensure uninterrupted academic engagement and student development.

Environmental sustainability is another cornerstone of the institution's ethos. PGDAV College actively promotes environmental awareness through initiatives to enhance green cover, reduce its carbon footprint, and encourage community participation in sustainable practices. These efforts reflect the college's broader vision of social responsibility and global citizenship.

With *Vishwa Kalyan* (global welfare) and *Rashtra Nirman* (nation-building) as guiding principles, PGDAV College remains dedicated to imparting value-based, scientific, and inclusive education. Together with the entire PGDAV community, we warmly welcome new students to this vibrant institution and embark on a transformative educational journey that fosters lifelong learning, personal growth, and meaningful contribution to society.

Asato Ma Sadgamaya! (From untruth to the truth!)

Principal
P.G.D.A.V. College

The College

Founded in 1957 by DAV College Managing Committee, Pannalal Girdharlal Dayanand Anglo-Vedic (P.G.D.A.V.) College is a co-educational, NAAC accredited institution. It draws its traditions of excellence and learning from two eminent institutions of education in India: University of Delhi and the DAV Education Trust – the world's largest organisation in the field of education with over 900 schools, colleges and a university.

Location

The college is situated at a prime location in Nehru Nagar, near Lajpat Nagar, on the Ring Road in Delhi. It is extensively connected by bus and metro. The Vinobapuri Metro Station (DMRC Pink Line) is located right next to the college.

Courses on Offer

At the undergraduate level, the college offers 13 programmes spread across 12 departments in the disciplines of Arts, Commerce, Computer Science and Mathematical Sciences. At the postgraduate level, the college offers Masters level courses in Commerce, Hindi, Mathematics and Political Science.

Distinguished Faculty

Over the years, the college has emerged as a centre of excellence under the stewardship of a string of illustrious principals and highly qualified, committed and experienced faculties. Many faculty members are associated with research projects and curriculum development at the national and international level and are engaged in guiding students at Postgraduate and Doctoral levels.

Holistic Development at P.G.D.A.V. Campus

PGDAV College not only ensures a disciplined and organised learning environment, but it also provides a supportive learning experience through a wide spectrum of co-curricular societies and academic societies. The events organised by various departmental societies at inter-college levels are aimed to enrich and enhance the learning process of our students and broaden their horizons.

The Cultural Society of the college, Hyperion, has consistently set high performance benchmarks over the years, raising the bar each academic year, with the awards tally surpassing 200 for the 2025-26 academic year. The growth of the cultural society motivated the college to rechristen its Annual Cultural Festival from Aaghaz (Beginning) to Arohana (Rising Upwards).

*Felicitation of Arohana-26

Vice Chancellor Trophy

PGDAV College achieved a historic milestone by receiving the prestigious Vice Chancellor Trophy for being crowned the overall sports champion of the University of Delhi. Solidifying its dominance, PGDAV College secured championship titles in cricket, football, volleyball, and judo. The College also successfully organized the 3rd Swami Dayanand Saraswati Inter-College Day and Night T20 Cricket Tournament, which featured 12 competing teams from various Delhi University colleges and concluded with the host college claiming the championship title once again. Demonstrating incredible elite talent, more than 30 students represented the college at the All India Inter-University, North Zone Inter-University, and national levels across diverse disciplines, including cricket, football, volleyball, judo, boxing, and taekwondo. Notably, the volleyball team delivered an extraordinary performance by securing the first position at the Inter-College Volleyball Competition for the third consecutive year. Furthermore, the volleyball team triumphed in the inaugural edition

2nd Swami Dayanand Saraswati Intercollege Teachers' T20 Cricket Tournament

of the Delhi Mahakumbh Tournament, earning a grand prize of ₹1.75 lakh presented by the Chief Minister of Delhi, Smt. Rekha Gupta. Through these monumental events, PGDAV College continues to strive for unparalleled excellence and aims to achieve even greater athletic success in the future.

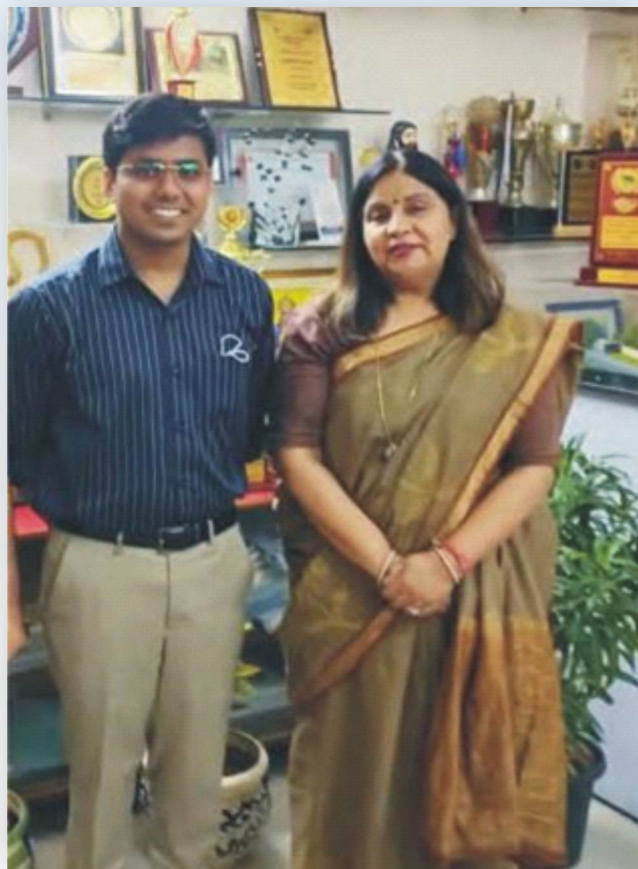

Notable Alumni

As administrators, academicians, scientists, athletes, military officers, actors, media personalities, CEOs and other leaders in their areas, PGDAV students have made significant contributions to India's economic and social development. PGDAV College is honoured to

recognize the remarkable successes of its alumni, who have excelled in diverse fields and brought great distinction to the institution.

One of our B.A. English (Hons) alumni, Mukund Thakur, secured AIR 54 in UPSC Civil Services Examinations '20 and is currently working as a District Collector in the Calicut District of Kerala. Another former student from B.A History (Hons) Mukund Singh Chahar (2018 batch) secured AIR 273 in the UPSC Civil Services Examination 2022 and is serving as an IPS officer. Our alumna from the Commerce Department, Deepa Halder, has recently been appointed as faculty member at the prestigious management institute, IIM Indore.

PGDAV College has earned a reputation for fostering and nurturing sports talent. The college's steadfast support and encouragement have enabled the sportspersons to excel and achieve remarkable feats, earning accolades and honors that reverberate

Mukund Thakur

Mukund Singh Chahar

beyond the college walls. Cricketers like Late Raman Lamba, Atul Wassan, Parvinder Awana, Anureet Singh, and many more are some of the illustrious alumni of the college.

Our alumna Yogesh Sharma represented the country in U19 Cricket and Kunwar Bidhuri represented Delhi State in Ranji Trophy Cricket Tournament. Another alumnus Lalit Mohan secured a gold medal in International Taekwondo Championship in May 2017.

Student Awards and Scholarships

One of our students Ruhani Gumber has recently been selected for My Gov Campus Ambassador Programme for which only two volunteers from pan-India have been selected. In NCC, SUO Shagun represented the unit at AITSC 2025 (all India thal sainik

Former Principal Prof. Krishna Sharma was awarded by the International Savitri Bai Phule Shodh Sansthan for her significant contribution to literature and education

camp), contributing to the Delhi Directorate's top positions. The unit also marked its presence at the Prime Minister's and Chief Minister's Rallies, as well as at NIC, SNIC, and EBSB camps promoting national integration.

Academically gifted students are feted with prizes for their proficiency in diverse subjects at the Annual Day function of the college, which is held annually. 'Dr. B.R. Ambedkar Best Student of the Year' award is a testament to the college's commitment to nurturing well-rounded individuals who will go on to become leaders and change-makers in their respective fields. The college also awards a range of scholarships; information about them is available on the college website. Interested students are advised to regularly visit the college website for any special scholarships or fellowships that may be released from time to time.

Awards and Recognitions

The college was awarded the Zero Waste Campus Award on World Environment Day, 5th June 2025, by the International Association for Educators for World Peace, affiliated to the United Nations: ECOSOC, UNDPI, UNICEF, and UNESCO.

Courses Offered & Distribution of Seats

Undergraduate Programmes

PGDAV College is a constituent college of the University of Delhi. The Undergraduate courses on offer are governed by the National Education Policy (NEP) 2020, as adopted by the University of Delhi.

The NEP 2020 envisages imparting academic knowledge, technical and professional-skills and life-skills as part of the vision of holistic education at tertiary level in India. In addition to the academically rigorous Discipline Centric Electives and Generic Electives (GE), the University of Delhi has also augmented the curricula with Skill Enhancement Courses (SEC) and Value Addition Courses (VAC) in various subject domains.

Skill Enhancement Courses aim to provide students with a wide variety of skills, such as communication, coding, financial literacy, to name a few. The curricula incorporate hands-on-learning so that the students get adequate training for the professional path they may choose. The Value Addition Courses intend to impart a sound value system and nurture an indispensable ethical base in the developmental trajectory of the youth.

Admission Process

Admission Procedure

Admissions to all UG Programmes in the college are done strictly on the basis of the eligibility requirements, criteria, and procedures specified by the University of Delhi on its website. The entire admission process is online. Candidates may find the Undergraduate Bulletin of Information - 2026 (UG-BOI '26) at the following link:

https://www.du.ac.in/uploads/2026/06012026_BOI_UG_2026_27_compressed.pdf

The candidate is solely responsible for regularly checking the Delhi University Admission Portal for updates, guidelines, schedules, and admission-related policies. They are advised to check their dashboard, email, and admission website (<https://admission.uod.ac.in/>) for all communications and updates related to admissions.

Candidates seeking admission under the Foreign Students' category are required to apply on the Foreign Students' Registry website: <http://fsr.du.ac.in>

At College the following committees will remain available for assistance:

- Convenor, Admissions Committee
- Members, Help Desk Committee
- Members, Grievance Redressal Committee

Admission Process in College

1. Under the Common Seat Allocation System (CSAS 26), after having been provisionally allocated a seat for a course in college, the candidate is required to 'accept' the provisionally allocated seat. Once he does so, the college will verify the following within the stipulated timeline:
 - i. Minimum Eligibility of the Candidate
 - ii. Program-Specific Eligibility of the Candidate
 - iii. Subject Mapping: UoD will consider only those CUET subjects in which s(he) has passed Class XII.
 - iv. Validity and authenticity of Documents/Certificates submitted by the candidate.
2. During the online approval process, if the college seeks more clarity/information from the candidate, it may raise a query to the candidate.
3. After the verification, the college will either 'approve' or 'reject' the provisionally allocated seat of the candidate. Once the college accords the approval, the candidate will have to pay the admission fee for the approved seat.
4. The admission process will be treated as complete only after successful payment of the admission fee. If a candidate fails to pay the admission fee within the stipulated time, it

will be considered as a cancellation of the provisionally allocated seat. The allocated seat shall be forfeited and the candidate will not be considered for any subsequent CSAS-2026 allocation rounds.

5. Admission Fee on account of withdrawal of the admission by the admitted candidate will be refunded as per the UoD notification dated 01.06.2026 (<https://www.du.ac.in/uploads/2026/01062026-notice-fee-refund.pdf>). Refunds will not be done for the CSAS-2026 Application Fee, Mid-Entry Fee and Withdrawal Fee.
6. At the conclusion of CSAS-2026, all admitted candidates would have to report to the college and complete all the admission formalities of the college, including physical verification of the documents/certificates.

Note :

1. Admission of a candidate is purely provisional and is subject to verification of original documents by the college. The candidate shall be required to produce the same certificates/documents in original at the time of physical verification at the college, that were uploaded on the admission portal at the time of applying. If at any stage, the original documents related to a candidate's admission are found to be fake/non-genuine or fabricated or in any other manner defective, the concerned candidate will not be admitted, and if already admitted, admission will be cancelled without any prior notice in this regard. No fee shall be refunded in such cases. Further, such a candidate will forfeit the opportunity for admission to any UG Program of the University of Delhi for the Academic Session 2026-27. If the same is found after completing the course, the candidate's degree will be cancelled, and appropriate legal action will be taken against him/her.
2. An anti-ragging undertaking has to be given by both the student and her/his parent/Guardian.

Supernumerary Seats

Candidates desirous of taking admission on supernumerary seats must appear in CUET (UG)-2026.

The following supernumerary seats are offered by the University of Delhi for admissions to the Undergraduate Programme:

Department of Commerce

“An investment in knowledge pays the best interest” – Benjamin Franklin

The Department of Commerce offers two Undergraduate Degree Courses in Commerce, namely B.Com. and B.Com. (Hons). It also offers one Postgraduate Course, M.Com. All of these courses are highly popular and sought after by students. The syllabus enables students to broaden their understanding and develop in-depth knowledge of major areas like Accounting, Finance, Marketing, Management, Human Resource Management, Foreign Exchange Management, Taxation, Law, and other related fields. Upon completion of the course, students are equipped with sound knowledge of the tools and techniques used in interpreting financial statements, the concepts of Corporate Governance, Auditing, Income Tax, Corporate and Business Laws, and Research Methodology. This course prepares students to gain a deep understanding of the corporate world and to become successful entrepreneurs. The course also serves as the foundation for professional courses like CA, CS, CMA, CFA, MBA, etc.

The Department of Commerce also has a dedicated Academic and Research Committee, ANALYTICA, to place greater emphasis on qualitative research and overall development. The Commerce Society, Commercium, provides a dynamic platform for brilliant minds among faculty members and students to share their vast reservoir of knowledge and skills. It organises various activities like workshops, seminars and the Annual Commerce Fest.

Department of Computer Science

With the vision of holistic development of students and grooming them into vibrant professionals who are well-grounded in knowledge, skill, and confidence in the field of computer science, the Department of Computer Science offers B.Sc. (Hons) Computer Science, BA (Programme) Computer Applications, and provides Computer Science as one of the disciplines in B.Sc. Mathematical Sciences. Core papers like Operating Systems, DBMS, Computer Networks, Data Structures along with latest subjects like Python, JAVA, Artificial Intelligence, Machine Learning, and Internet Technologies are taught as a part of curriculum to B.Sc. (Hons) Computer Science and B.Sc. Mathematical Sciences. The courses meet with the requirements of professional software engineers and open up a wide range of academic avenues, such as MCA, M.Sc., and MBA. The department also offers the BA(Program) Computer Application course, which is mainly for non-science students. The course promotes computer literacy and programming skills so that students gain basic skills needed for entry-level jobs in information technology. The students are taught using various ICT techniques. The faculty is well qualified, experienced, and responsive to the academic disparities in learners' backgrounds. Many of our students have been successfully placed at companies including Deloitte, TCS, FIS Global, and Wipro. The computer science society Parikalan regularly hosts coding competitions, quizzes, web design challenges, and many other activities. Professional workshops in areas such as Robotics and Machine Learning are conducted from time to time, along with talks on the latest topics by professional luminaries.

Department of Economics

Economics is a study of how social choices are made in the production and distribution of goods required for satisfying our material needs. The focus of the discipline and the course is on equipping students with the tools required for rigorous, abstract analysis, which forms the mainstay of modern theoretical economics. The Department of Economics offers an Honours course in Economics, and also offers major and minor courses for B.A Programme. After pursuing courses offered by the department, the students will be well equipped to pursue a Postgraduate degree in Economics. An Honours degree in Economics gives a good grounding for entering the Civil Services, Banking and Financial Services Sector, and the Corporate Sector. It is an intellectually demanding course and is the most sought-after at Delhi University.

Over the years, the Economics department's reputation has grown remarkably. The students in the economics department have excelled not only academically but also in other extracurricular activities. A cordial understanding between the teachers and the students in the department helps to provide the optimal environment for teaching and learning.

Apart from academics, the department encourages students to participate in extracurricular activities to support their overall personality development. The Economics Society of the college, Ecolibrium, has been playing a vital role in developing and showcasing students' talents in economics. The annual economic fest, Ecoligence, offers all students from our college and other colleges the opportunity to participate in various activities such as panel discussions, paper presentations, debates, and economic quizzes.

The Economics department also organizes certificate courses and lectures, and webinars by eminent speakers and experts on contemporary economic issues. The department is strongly committed to imparting education that produces socially responsible, disciplined, and sensitive citizens.

Department of English

"Literature adds to reality, it does not simply describe it. It enriches the necessary competencies that daily life requires and provides; and in this respect, it irrigates the deserts that our lives have already become." – C. S. Lewis

The study of English Literature is a stimulating experience for our students. The course not only covers the intensive study of British Literature but also offers an extensive journey into iconic writings from all over the world, originally written in English or translated into English. The students are encouraged to develop analytical and critical skills with an interdisciplinary approach. The students are also trained in literary theory, where they learn to read a text from various perspectives and theoretical groundings.

The Department of English also has a vibrant society called Eclectica. It conducts various workshops, international lectures and conferences, inter-college literary and creative events to provide its students with the necessary experience in writing, organising and presenting papers as well as creative outputs. Students acquire necessary skills in their development both as literature students and as individuals ready to participate and take on the challenges of the contemporary world. The programme prepares the students for a career in Mass Communication, Journalism, Management, Civil Services, Creative Writing, Theatre and Academics.

Department of Environmental Studies

The Department of Environmental Studies is teaching the Ability Enhancement Course on Environmental Science: Theory into Practice (I & II) to all undergraduate students. The compulsory course aims to train students to meet the need for ecological citizenship by developing a strong foundation in the critical linkages among ecology, society, and economy. The course is aimed at building the capabilities to identify relevant environmental issues, analyze underlying causes, evaluate practices and policies, and develop a framework for making informed decisions. The course also works for moral and ethical awareness as well as reasoning through developing empathy for all life forms, appreciation for the various ecological linkages within the web of life, awareness and responsibility towards environmental protection and nature preservation, acquisition of values and attitudes towards understanding complex environmental-economic-social challenges, and active participation in solving current environmental problems and preventing the future ones. Graduates will evolve into ecologically, environmentally, socially informed and responsible citizens who are empowered to protect natural resources, ensuring sustainable lifestyle and developmental model.

Apart from this course, the department also offers various papers under the Generic Elective and Skill Enhancement Courses. The department has a well-equipped, air-conditioned Environmental Science laboratory for conducting experiments and practical training of our students in the subject.

Besides classroom teaching, the department showcases documentaries on environmental issues and regularly organises field visits to various sites of environmental importance, such as Sanjay Van, Yamuna Biodiversity Park, Okhla Bird Sanctuary, and Deer Park. The department observes various days, such as Earth Day, Ozone Day, Water Day, World Wetland Day, and many others. The department organises various talks, international and national conferences, and seminars regularly.

हिंदी विभाग

महाविद्यालय में स्नातक, स्नातक हिंदी (विशेष) के साथ स्नातकोत्तर(एम.ए) स्तर पर भी हिंदी के शिक्षण की सुविधा उपलब्ध है। आने वाला समय भारतीय भाषाओं का है। इसलिए भाषा दक्षता आज के समय की माँग है। हिंदी विभाग विद्यार्थियों में हिंदी भाषा की समझ, लेखन क्षमता, आलोचनात्मक दृष्टिकोण और साहित्यिक संवेदनशीलता को विकसित करने का कार्य करता है। यहाँ विद्यार्थियों में हिंदी भाषा के प्रति रुचि और जागरूकता को विकसित करने के साथ-साथ उनमें साहित्यिक, सांस्कृतिक और सामाजिक मूल्यों की स्थापना और अनुसंधान व नवाचार को प्रोत्साहन भी दिया जाता है।

विभाग में पाठ्यक्रमानुसार शिक्षण और मूल्यांकन, साहित्यिक गोष्ठियाँ, वाद-विवाद प्रतियोगिताएं, सेमिनार और कार्यशालाओं का समय-समय पर आयोजन किया जाता है।

हिंदी विभाग से अध्ययन करने वाले विद्यार्थी अध्यापन, पत्रकारिता, मीडिया, अनुवादक, संपादक, लेखन और सिविल सेवाओं में हिंदी अधिकारी आदि विभिन्न क्षेत्रों में अपना करियर बना सकते हैं।

विभाग के अंतर्गत 'चिंतन' नामक संस्था सक्रिय है। चिंतन के अंतर्गत विद्यार्थियों की जिज्ञासा पूर्ति हेतु समय-समय पर विभिन्न कार्यक्रम आयोजित किए जाते हैं। महाविद्यालय के पुस्तकालय में हिंदी पुस्तकों एवं पत्र-पत्रिकाओं का विशाल संग्रह है, जिसका उपयोग छात्र अपने ज्ञानवर्धन के लिए करते हैं। विद्यार्थियों के विचारों और अनुभूतियों को रचनात्मक अभिव्यक्ति मिले इसके लिए महाविद्यालय की वार्षिक पत्रिका 'अंकुर' का प्रकाशन भी उल्लेखनीय है।

Department of History

"If you want to understand today, you have to search yesterday" – Pearl S. Buck

Through the teaching-learning of History, we are committed to inculcate and develop the socio-cultural sensitivities of our students. Our students have been successful in Media, Defense, Academics, Civil Services and Multinational Corporations. Besides these avenues, the History department also offers new and exciting opportunities in Research Institutions, Archaeology, Museology, Archives, Heritage Management and Historical Tourism.

Both Core and DSE of our Honours and Programme courses prepare students to understand the historical processes beginning from the most ancient times that have resulted in the burgeoning of India and the globalisation of the world. We strive to make the study of History more interesting and engaging through presentations, projects, and interactive sessions with eminent historians, as well as visits to various museums and heritage sites. The History department society, Dharohar, is responsible for organising these events.

Department of Mathematics

"There is no philosophy which is not founded upon knowledge of the phenomena, but to get any profit from this knowledge it is absolutely necessary to be a mathematician" – Daniel Bernoulli

The course enables students to explore several major areas of mathematics, such as, algebra, analysis, differential equations, number theory, geometry, probability, and their combinations. One of the important components of the syllabus is practical and lab work. It gives students exposure to the applications of Mathematics, which is one of the strongest and most motivating aspects of this subject. Through practical work, they come to understand how mathematical methods/models are used extensively in Economics, Computer Science, Engineering, Medicine, Agriculture, Architecture, the Arts, and all other fields of modern knowledge.

Apart from the core papers, B.Sc. (Hons) Mathematics also includes Discipline Specific Electives, Ability Enhancement courses, and Skill Enhancement Courses. Discipline Specific papers can be chosen from a pool of courses. Besides teaching and research, a student mathematically trained through this course has opportunities in computing, economics, finance, banking, market research analysis, space studies, and oceanography, to name a few. The faculty consists of dedicated and experienced teachers.

Department of Political Science

Apart from B.A.(Honours) in Political Science, B.A.(Programme), the department also offers a Postgraduate Program in Political Science. Political Science is a crucial discipline that helps us comprehend society and the functioning of the state. It encompasses both theoretical and practical aspects of politics, involving the examination and evaluation of political systems and behaviour. Its various subfields encompass political philosophy, constitutional analysis, diverse political systems across countries, public administration, international organizations, foreign policy, and international relations. In line with the new NEP scheme, the department has introduced relevant and research-based papers that complement the core subjects, including Comparative Government, Political Theory, Indian Constitution, International Relations, Public Administration, Understanding Ambedkar, Gandhi and the Contemporary World, and Feminism. Additionally, students can explore intriguing, career-oriented papers in the SEC and VAC categories. Acquiring knowledge in these areas proves beneficial for careers in Civil Services, Law, Media, Politics, Policy Studies, Management, Journalism, NGOs, and academia.

To foster student engagement, the department has established an elected society called Samvaad. This society regularly organizes debates and competitions, providing students with opportunities to showcase their skills and knowledge. In 2025, we also launched the National Youth Parliament, which attracted participants from across India. Additionally, we have introduced the Samvaad News Bulletin, published monthly during the academic session.

To strengthen academic discourse among students, the department regularly organizes paper presentation sessions, article writing workshops, and research workshops. Every year, to explore the diverse intellectual and cultural heritage of our nation, we organize academic trips to various locations, with active participation from both faculty and students.

For more information, one can visit the LinkedIn, Facebook, Instagram, and YouTube pages of Samvaad, the Political Science Society of PGDAV College.

Department of Physical Education and Sports Sciences

The department was established in 1969 and has continuously worked to promote sports and other physical activities. The department has been working progressively to upgrade the sports infrastructure of the college, along with imparting theoretical knowledge about various aspects of sports and its discipline. It organises and enables students' participation in several intra-college, inter-college, inter-university, national and international tournaments and offers Physical Education as a Discipline Specific Core course in B.A. Programme adds glory to the college both in terms of academics and co-curricular activities. Our alumni have become a source of national pride in the field of sports. The department is consistently working for the holistic development of the students by organising events for them so that they can be a valuable part of the wide realm of physical education.

संस्कृत विभाग

यह सर्वविदित सत्य है कि संस्कृति विश्व की प्राचीनतम भाषा है, और वैदिक संस्कृति संसार की प्राचीनतम एवं श्रेष्ठतम संस्कृति है। भारतीय मनीषियों का समस्त चिन्तन, संस्कृत भाषा में है। भारत के साहित्यिक, सांस्कृतिक, धार्मिक, आध्यात्मिक, नैतिक, राजनैतिक और ऐतिहासिक जीवन की व्यवस्था भी संस्कृत भाषा में प्राप्त होती है। कहने का तात्पर्य यह है कि संस्कृत सिर्फ भाषा, विषय और ज्ञान नहीं बल्कि संस्कृत एक जीवन पद्धति एवं जीवन शैली है। संस्कृत में ही भारतवर्ष की सांस्कृतिक विरासत संरक्षित है। संस्कृत भाषा के बिना हम उस महान ज्ञान परम्परा से वंचित हो जाएंगे, जिसके कारण भारत को विश्वगुरु का गौरवशाली पद प्राप्त था। अगर 2047 तक भारत को समृद्ध, आत्मनिर्भर और विकसित भारत बनना है तो हमें अपनी भारतीय ज्ञान परंपरा को जानना पड़ेगा। इसलिए संस्कृत हर भारतीय को पढ़नी चाहिए। राष्ट्रीय शिक्षा नीति 2020 के आलोक में दिल्ली विश्वविद्यालय के द्वारा संस्कृत विषय का जो पाठ्यक्रम बना है वह अत्यधिक समसामयिक, आधुनिक, वैज्ञानिक और रोजगारपरक है। जिसमें संस्कृत विभाग का लक्ष्य रोजगारपरक शिक्षा के साथ साथ छात्रों का चरित्र निर्माण और व्यक्तित्व का समग्र विकास करना है। वैज्ञानिक, तकनीकी, सोशल मीडिया और गूगल के युग में वैश्विक स्तर पर युवा नैतिक और मानवीय मूल्यों से दूर होते जा रहे हैं। युवाओं में शारीरिक, मानसिक, नैतिक, आध्यात्मिक न्यूनता देखने को मिल रही है। इसलिए आवश्यकता है संस्कृत के माध्यम से युवा वर्ग को भारत के श्रेष्ठ, संतुलित एवं सुन्दर

सांस्कृतिक जीवन से जोड़ने की। महर्षि दयानन्द सरस्वती जी के विचारों पर चलने वाले पीजीडीएवी कॉलेज का संस्कृत विभाग अपने अनुभवी, दक्ष और योग्यतम प्राध्यापकों के माध्यम से यह कार्य कुशलतापूर्वक करता है। विभाग की अकादमिक संस्था - 'संस्कृत समवाय' पूरे वर्ष वेदव्याख्यानमंजरी के माध्यम से सेमिनार, व्याख्यान, प्रश्नमंच, श्लोक गायन प्रतियोगिता का आयोजन करती है। जो छात्र सामान्य ऐच्छिक पाठ्यक्रम में संस्कृत विभाग द्वारा चलने वाले VAC, SEC और GE के माध्यम से संस्कृत विषय को लेकर पढ़ना चाहते हैं उन्हें भी संस्कृत भाषा एवं साहित्य के साथ-साथ योग, आयुर्वेद, पंचकोश, अभिलेखशास्त्र, भारतीय दर्शन, बौद्ध दर्शन, पटकथा लेखन, ज्योतिष, वास्तु, सौन्दर्यशास्त्र आदि विषयों को पढ़ने का अवसर मिलेगा। इससे भी छात्रों के लिए रोजगार के नए अवसर सृजित होंगे।

Department of Statistics

Statistics is not merely a tool for collecting numerical data, but is also a means of developing rigorous techniques for handling, analysing and drawing valid inferences from the collected data. Furthermore, to validate the theory taught in the classroom, students perform practical experiments in laboratories using various programming languages and software packages. This course prepares students for careers in Business, Industry, and Actuarial Sciences as well as for further studies in Finance and Business statistics. Apart from this, graduates in statistics can appear for the Indian Statistical Service and Civil Services examinations. A statistician's job has been termed the 'dream job' of the next decade. The Department of Statistics has eminent faculty members with diverse experience in teaching and research. The department also has a vibrant society, Sankhyiki, which organises various activities, including presentations, projects and interactive sessions with eminent statisticians.

The college has added smart classrooms equipped with overhead projectors and separate departmental rooms. The facility of QR codes is provided outside the classrooms and departmental rooms. The college has an uninterrupted 24×7 power backup system. It has an RO water system. In our endeavour to promote ecological sustenance, the campus is fully equipped with a rainwater harvesting system, beautiful lawns and herbal gardens. The college displays a unique balance between using modern technology and imperatives of a sustainable environment.

Library

PGDAV College library has a very rich collection of One lakh Four thousand books across various subjects and disciplines, including reference books, general books, and text books. It subscribes to around 60 periodicals and 19 newspapers to provide students and faculty alike with knowledge and the pleasure of reading. We aim to provide a comfortable and peaceful reading ambience that helps students to enhance their concentration while studying for long hours. The library is fully computerized, air-conditioned and Wi-Fi enabled with High-tech CCTV surveillance to ensure a conducive and pleasurable reading environment. The library offers various services to its users, like Membership, Circulation, Reference, OPAC, Book Bank, Article Alert, and Reprographic Services. To check the availability of books in the library from remote places, WEB OPAC services have been initiated. The Library's recent initiative provides free access to both conventional and electronic resources, such as ONOS, OER, DELNET, and Delhi University Library System (DULS) e-resources, to its registered users. The remote login facility is provided to students and faculty members of the college.

E-library with 23 terminals is dedicated to students of the college which facilitates smooth downloading and free access of e-books, e-journals and other academic resources. The College library has reshaped the Reference Section into Reference-cum-Conference room. The section is embellished with comfortable furniture, latest ICT facilities for conducting orientation programmes, short term courses and other educational activities for the holistic development of the students and teachers. College Library encourages Library Internship Program to students pursuing professional courses in Library and Information Science from IGNOU, SOL DU and the Department of LIS (University of Delhi), thereby imparting formal training in routine library operations. Students are immensely benefitted with this facility.

Conducting library orientation programmes, raising awareness about open educational resources, and organizing book fairs are regular features of our college library. It is accessible to all students and staff members of the college on all working days. Each student is offered a library membership at the time of admission. College ID cards are provided after students register in the library records.

Library Rules

- All students of the college are issued a college ID card from the library once the fees are deposited. Students are required to register themselves in the library showing their fee slip.
- Library membership and tickets will be offered upon registration.
- Library membership is valid till the student is on the college rolls.
- Each Undergraduate student is entitled to borrow four books at a time for a period of fourteen days.
- Each Postgraduate student is entitled to borrow five books at a time for a period of fourteen days.
- Economically weaker but bright students are issued five books per semester from the Book Bank section (at no additional cost) after applying through a proper channel.
- Students who return books later than the due date will be liable to pay a fine.
- Reference sources and books kept under the Reference Section of the library will not be issued and are only for reading in the library.
- Handle the library resources carefully.
- Use of mobile phones in the library is strictly prohibited.

Facilities for Differently Abled and Meritorious Students

The college library provides support to needy students through a book bank. Needy and meritorious students can borrow up to 5 books related to their course for the entire semester at no additional cost. The library supports its differently-abled students through various assistive devices and technology. We have a dedicated lab for accessing Braille library resources, Sugamya Pustakalaya and reading & recording of other resources for visually impaired students. Students are assisted in learning and reading through various softwares like JAWS and devices such as ANGEL DAISY Reader, MP3 Recorder, Net Books, Zoom Ex Instant Text Reader, Orbit Reader, Kibo, Lex Portable Camera, etc.

Students may visit <http://pgdavlibrary.saraswatilib.com/> for further information about the library.

Computer Laboratories – Internet and Intranet Facilities

The college has 6 well-equipped computer labs with about 220 computers in all. All these labs provide students with access to the Internet and Delhi University Library System. All the computers are on Ethernet LAN, and the campus is Wi-Fi enabled. For subject

requirements, various licensed and open-source software and platforms, such as Linux, Oracle, Android platform, and MySQL give our students hands-on experience with the latest technology. In addition, the college also has a dedicated Statistics laboratory.

Environmental Studies Laboratory

The college has a well-equipped, air-conditioned state-of-the-art Environmental Science laboratory for conducting experiments and providing practical training for students in the subject.

Seminar Hall

The college has a very well-equipped, fully air-conditioned and acoustically well-maintained sabhagar, Swami Dayanand Saraswati Sabhagar. The college also boasts of two seminar halls, which serves as a versatile space for a wide range of academic and cultural events. Both multipurpose venues host guest lectures, conferences, work-shops, placement drives, debates, discus-sions, faculty development programmes (FDPs) and cultural activities.

Refreshment Facilities

The college has two cafeterias that offer students a wide range of healthy, nutritious, and hygienic meals and snacks at fair prices. The main canteen is located conveniently in the Students' Amenities Block. It is considered one of the largest canteens at the University of Delhi. The other cafe is near the staff gate and offers refreshing beverages and quick meals. Both also serve as vibrant meeting places for the student community.

Bank

The college has a branch of the Central Bank of India on its premises. The bank, with its amiable staff, serves both staff and students.

Medical Facilities

The college has a medical room that provides first-aid assistance. A full-time nurse is also available in the college. Moreover, a clinical psychologist, Dr. Nitin A. Lal is available for counselling during specific hours in the college. Vending machines have been installed at various places for the convenience of girl students. During the tough Covid times, RT-PCR test facility and a vaccination centre were also made available to our students and staff.

Elevators

The college has lifts for the benefit of differently-abled students. There is also a lift for accessing the Swami Dayanand Saraswati Sabhagar.

Fitness Centre

PGDAV College has an excellent Gymnasium on its campus. It has all the modern and essential facilities that help its students to develop their health and overall well being. These facilities are also available to staff members to help them maintain their fitness and health. The Gymnasium has facilities for cardio, strength, and core exercises, as well as weightlifting with weights of different classes. Most importantly an experienced trainer has been appointed to properly guide the students through the exercises and the dynamic aspects of the fitness regime. Locker rooms and changing areas are also provided on campus, ensuring privacy and adequate security to the students.

College Website

The college has a user-friendly, interactive & accessible website. (<https://www.pgdaycollege.in/>)

Sports Complex

The college has a newly constructed sports complex. It is well equipped with four floodlights to facilitate day and night

matches. It also has a synthetic running track on the periphery of the ground.

Girls' Common Room

The girls' common room is located beneath the New Seminar Hall in the Students' Amenities Block. This exclusive area is used by the girls for various purposes, especially rest and recreation. The common room is a big hall with comfortable seating and attached washrooms. This also makes it a favoured place for changing costumes and rehearsals for events that take place in the New Seminar Hall.

Boys' Common Room

The boys' common room is located beneath the New Seminar Hall in the Students' Amenities Block. Due to its closeness to the college field, it is used as a place for rest and relaxation after games. It also provides a great view of the college field from the balcony, making it a convenient viewing gallery for matches. The washrooms provide amenities for changing and showering.

Internal Complaints Committee (ICC)

In accordance with Section 4 (1) of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act 2013, the college has a duly constituted Internal Complaints Committee (ICC) which comprises members from the faculty, non-teaching staff, student representatives, and an advocate to look into the matters of sexual harassment. The Committee aims to make the college premises safe. Names and contact details of the members are posted on the college website and at prominent locations on the college campus.

Internal Quality Assurance Cell (IQAC)

The IQAC of PGDAV College has established itself as a highly competent body and a name to reckon with across colleges and universities. Internal Quality Assurance Cell (IQAC), an intrinsic part of the working of the college, is a statutorily constituted body of PGDAV College. Since its inception, it has actively pursued quality assurance, improvement, and sustenance goals in academic, administrative, and financial realms to deliver excellence in all its endeavours. The primary task of the IQAC is to develop a robust and sustainable system for conscious, consistent, and catalytic buildup of the college's all-around performance. It undertakes, initiates, and facilitates activities that seek to enhance the performance of students and teachers, as well as the college as a whole, with special consideration for the overall improvement of parameters of academic excellence.

IQAC is proud of its progressive role in ensuring the quality of initiatives and facilitating projects undertaken by the Principal, administration, societies, and departments. It has a calendar full of regular events specifically engaged in the following directions:

1. Betterment of the academic performance of the students.
2. Expansion of the scope of academic pursuits in the college.
3. Special focus on academic research with the help of Study Forums meets.

समिति का उद्देश्य विद्यार्थियों में भारतीय संस्कृति, परंपराओं एवं जीवन-मूल्यों के प्रति जागरूकता विकसित करना, उन्हें भारतीय सांस्कृतिक विरासत के विविध आयामों से परिचित कराना तथा हमारी समृद्ध सांस्कृतिक धरोहर के संरक्षण एवं संवर्धन के लिए प्रेरित करना है।

इन उद्देश्यों की पूर्ति हेतु समिति द्वारा वर्षभर विविध शैक्षिक एवं सांस्कृतिक कार्यक्रम आयोजित किए जाते हैं, जिनमें पुस्तक विवेचना, वाद-विवाद प्रतियोगिता, प्रश्नमंच, व्याख्यानमाला तथा विशिष्ट विद्वानों के प्रेरक व्याख्यान प्रमुख हैं। इन गतिविधियों में महाविद्यालय के विद्यार्थी उत्साहपूर्वक सहभागिता करते हैं और अपनी बौद्धिक एवं सांस्कृतिक प्रतिभा का उत्कृष्ट प्रदर्शन करते हैं।

विद्यार्थियों के ज्ञान, अनुभव एवं सांस्कृतिक दृष्टि के विस्तार के लिए समिति द्वारा शैक्षणिक एवं सांस्कृतिक अध्ययन-यात्राओं का आयोजन प्रारंभ करने की दिशा में भी निरंतर प्रयास किए जा रहे हैं। भारतीय संस्कृति सभा विद्यार्थियों में राष्ट्रीय चेतना, सांस्कृतिक गौरव तथा भारतीय जीवन-मूल्यों के प्रति सम्मान विकसित करने के लिए सतत कार्यरत है।

Students' Union

Each student at PGDAV College is a member of the Students' Union in the college. The Principal is the patron of the Students' Union. The Students' Union is affiliated with the Delhi University Students' Union (DUSU). Participation in Students' Union activities is an opportunity for training in organisational skills and democratic leadership.

Every year, elections are held as per the schedule notified by the university. The posts of President, Vice-President, Secretary, Joint Secretary and two Central Councillors are filled through these elections in which all students participate.

Equal Opportunity Cell and Enabling Unit

The Equal Opportunity Cell of the college helps and empowers students from SC/ST/OBC/PwD/EWS and other categories, with the intent to encourage them to fully participate in the college's academic, intellectual, social, and cultural life of the college. The Enabling Unit of the college, SWASHRIT, meets the requirements of differently-abled students. The college has an inclusive infrastructure that provides two elevators and wheelchair facilities. Access to the college is barrier-free.

The Cell supports students in their academic pursuits through various assistive devices and software facilities. The college library has a dedicated lab with five workstations for differently-abled students. Educational and motivational talks, PwD talent hunt programme, career counselling and participation of students in various cultural and sports activities are regular features of the college calendar.

SC/ST Cell and OBC Cell

According to 1998 UGC guidelines for the establishment of special cells for SC/ST students, the college has SC/ST and OBC Cells to look after the interests of the students through guidance, counselling and financial help.

The purpose of these cells is to help institutions implement reservation policy with regard to admission of students and recruitment of teaching and non-teaching staff at various levels. Also, the function of this cell is to provide an inclusive environment for students of these categories and to remove obstacles that emerge in their endeavour.

North-East Cell

The college has a well-constituted North East Cell (NEC) comprising faculty members and student representatives to look after the interests of students from the North-Eastern states. Membership is extended to all students hailing from the Himalayan regions and also from foreign countries.

The Cell is a vibrant society wherein students learn teamwork and leadership, all the while being ambassadors of their own unique cultures and regions to students and staff of

the college and the university. In an academic year, the NE Cell organises a Help Desk at the time of admission, an orientation programme for new students, academic lectures delivered by subject experts and the much-awaited inter-college cultural festival called 'Heritage'. NEC also encourages students to actively participate in various other academic and co-curricular activities held in the college, as well as in sports and cultural activities across the university.

Women's Development Cell (WDC)

PGDAV College has always been a frontrunner in creating gender-sensitive social and institutional spaces. The Women's Development Cell at PGDAV College is an active body that believes that students are the agents of change. The Cell promotes gender equality by training and sensitising students and staff alike towards gender issues. Activities related to women's rights, physical and mental well-being, safety, and legal rights are held periodically.

Impactful events and awareness programmes are organised to promote gender equality to empower women and to bring about a perspective shift. Students, girls as well as boys, are encouraged to engage in debates, discussions, and dialogues to achieve an understanding of gender relations to acknowledge and recognize patriarchal gender stereotypes that are culturally embedded in our social structure, and to strive to steer away from such patterns. Some of the most effective events held in the past include a self-defence workshop for girls, theatre performances addressing gender disparity, and a panel discussion on the 21st-century Indian Working Woman, to mention just a few.

The WDC is committed to continue to work towards women's empowerment and gender equality.

Student Societies, Activities and Clubs

PGDAV college focuses on holistic development and offers students the opportunity to develop their leadership, management, and creative skills through various departmental, academic and cultural societies. A brief of all the societies is shared below.

Departmental Societies

All the departments in the College have academic societies, names of which are provided below:

- **Anant** – Mathematics Department Society
- **Chintan** – Hindi Department Society
- **Commercium** – Commerce Department Society
- **Dharohar** – History Department Society
- **Eclectica** – English Literary Society
- **Ecolibrium** – The Economics Society
- **Parikalan** – The Computer Science Society
- **Samvaad** – Political Science Department Society
- **Samváy** – Sanskrit Department Society
- **Sankhyiki** – Statistics Department Society

These societies organise events like seminars, workshops, debates, lectures by distinguished academicians, researchers and celebrities throughout the year. The activities undertaken by these societies over the last few years can be found in the college's Annual Reports.

Co-curricular Activities

Hyperion: The Extra-Curricular Activities Committee

Hyperion, the cultural society of PGDAV College, is all about creativity, expression, and bringing people together through art. It serves as a space where students can explore their talent, share their ideas, and truly find their voice. With a strong focus on innovation and inclusivity, Hyperion creates a welcoming and vibrant community of enthusiasts who are keen to learn and explore through art and culture.

There are various societies that operate under Hyperion to enable students to showcase and explore their talents in various areas. These societies are:

1. **Chanakya** – The Intellectual Society provides a focal point to all those who are interested in literary activities like debating, poetry, quizzing and book reading, to name a few. It encompasses several sub-societies, including Grey Matter - the debating society; Kavyamrit - poetry and creative writing society; Buzzer - the quizzing society; and Padhantu - the book and media review society, each catering to different creative and intellectual interests.
2. **Diversity** – The Dance Society encourages students to explore their skills in various dance forms like Indian classical, folk, and western dance in all its myriad forms.

3. *Iris* – The Film and Photography society that provides a creative platform for students to explore visual storytelling, enhance their artistic skills, and express ideas through photography and filmmaking.
4. *Impressions* – The Fine Arts Society focuses on multiple kinds of art forms, including sketching, rangoli making, canvas painting, graffiti, and other forms of fine arts.
5. *Raaga* – The Indian classical Music Society introduces the students to the world of music in the form of various raags and beautiful compositions. The society encourages spirited musicians and instrumentalists to compose original music.
6. *Conundrum* – The Western Music Society comprises a dedicated band known by the same name, as well as Western Solo Vocalists and Instrumentalists, and promotes students to polish their skills in Western music.
7. *Navrang* – The Stage Play Society is the place for students to hone their theatrical skills and learn the fine nuances of creative dramatics.
8. *Rudra* – The Street Play Society is one destination for all the students who wish to give their heart and soul to street play and spread relevant social messages across the student communities through art.
9. *Techwhiz* – The Technical Society is a strong pillar of Hyperion that works at backend and frontend simultaneously to manage the technicalities of ECA throughout the academic session. It has 4 clubs under it: Web Development, Graphic Designing, Coding, and The Gaming Club.

All the above-mentioned societies admit students from first year through rigorous rounds of auditions in the beginning of the academic year. Students also participate in all the prestigious inter-college and inter-university competitions throughout the year. A collective of 200 plus prizes were won by the students in the year 2025-26, with some of the notable prizes from IIT BHU, IIT Roorkee, IIT Mumbai, IIIT, and NSUT, to name a few.

Hyperion and its sub-societies collectively organize several events throughout the academic year. The session begins with the observance of Anti-Ragging Week, followed by Exploranza, the Fresher Talent Hunt, which aims to encourage new students and provide a platform to showcase and recognize their talents. The year's activities culminate in **Aarohana**, the annual cultural festival. This inter-university event features a wide range of cultural programs, exhibitions, competitions, and performances, bringing together students to celebrate creativity, talent, and cultural diversity.

National Service Scheme (NSS)

The National Service Scheme (NSS) is a scheme of the Government of India, Ministry of Youth Affairs and Sports. It was established on the auspicious occasion of the birth centenary of Mahatma Gandhi in 1969. The National Service Scheme unit of PGDAV College is recognised as one of the most active NSS units of Delhi University. The sole aim of the NSS is to provide young students with hands-on experience in delivering community service. It helps students to grow individually and as a group; it also builds their confidence, develops their leadership skills, and enables them to meet people from different walks of life through competitions, seminars, drives, rallies, and talks. Besides organising round-the-year activities, NSS runs some spectacular social projects, such as distress relief, blood donation camps, hygiene and cleanliness drives, and a host of other social activities taken up voluntarily or at the direction of the government. Outstanding volunteers are awarded special merit certificates and medals. Keeping up with this motto of the National Service Scheme (NSS), "Not Me, But You", the journey so far has been rewarding and full of learning opportunities.

National Cadet Corps (NCC)

The college has both the girls' and boys' NCC army wings. The unit of the college, under the able guidance of ANO (Associate NCC Officer) Lieutenant (Dr.) Renu Jonwall and Lieutenant (Dr.) Hari Pratap, has an active training calendar. The cadets receive training in the army and in other subjects such as drill, first aid, map reading, signals, civil defence, slithering, and firing. They actively participate in ATC, CATC, TSC, PRD, RD, and SNIC camps organised by the Indian Army all over India. After the completion of successful training and written exam, cadets get 'B' and 'C' certificates. The drill training and NCC certificate help them fulfil their dream of joining the armed forces after successful completion of Services Selection Board (SSB).

Societies, Clubs, and Associations

Placement Cell

The Placement Cell acts as the liaison between recruiters and fresh talent who strive in PGDAV every year. With "Your ambition, our aim" as our motto, we maintain the highest standards to provide students with a wealth of resources and business conduct essentials to help them thrive in the corporate world. With the consistent efforts of the placement cell and the students alike, our college has become a preferred destination for reputable recruiters. Our relationships with past and present recruiters are of utmost importance to making the recruitment process successful and rewarding for both the recruiters and students.

PGDAV has seen a great number of placement and internship opportunities in the past, and we always aim to expand these further.

Research Cell

The Research Cell of PGDAV College actively engages in fostering a vibrant academic research oriented environment within the college. The Research Cell curates theme based sessions, spread across the academic year, so as to cater to the aim of strengthening research aptitude, enhancing technical skills, and facilitating access to scholarly resources amongst the students and faculty alike. The sessions are particularly designed to support fourth year students in the development and refinement of their research work. During the academic year 2025–26, the Research Cell successfully conducted a series of five such sessions (online/offline/practical workshop) by renowned academicians and resource persons. These workshops proved to be highly beneficial in familiarising students with reliable sources of scholarly information and supporting them to apply database tools effectively in their ongoing research projects. The Research Cell stands committed to its objective of promoting a culture of research and academic excellence among students and faculty.

Satark – The Consumer Club

“An informed consumer is an empowered consumer.” – Elizabeth Warren

In an era where consumer awareness and sustainability are paramount, Satark, the Consumer Club of PGDAV College, remains dedicated to educating students about their rights and responsibilities. Established in 2011 under the initiative of Consumers Forum, a registered non-profit organisation in India, and founded by Dr. Vandana Agrawal, the club collaborates with Consumers India and Consumer Forum to organise events that promote legal awareness, sustainable consumption, and consumer advocacy. With a steadfast dedication to awareness, sustainability, and advocacy, Satark continues to shape an informed and responsible consumer community, inspiring students to make ethical and well-informed choices in today's dynamic marketplace.

The club brings together faculty and students from different disciplines and focuses on issues that affect everyone as consumers. Field visits, internships, volunteering opportunities, and intra-college and inter-college competitions are organised throughout the year to build awareness around issues impacting us as consumers.

*Team Satark at IHC in Panel Discussion
organized by Consumers India*

Satark has its presence on various social media platforms, such as Facebook, Instagram, and LinkedIn, through which it aims to raise consumer awareness via Satark Alert and Satark Stories. Join us on our social media handles:

Enactus - PGDAV

Keeping the spirit of social entrepreneurship in mind, Enactus-PGDAV works to empower socio-economically weaker sections. Enactus-PGDAV is an international non-profit organization that works with the leaders in business and higher education to mobilize university students to make a difference in their communities through projects, empower the underprivileged communities, create entrepreneurs out of them, and give them the opportunity to gain experience and skills to build a successful career. It is a path towards sustainable progress for underprivileged people and their communities. To nurture the cause of upliftment and empowerment of marginalized communities, team ENACTUS PGDAV collaborates with Shakti Shalini, an NGO dedicated to advancing gender equality and women's empowerment since 1987. The team, along with the members of the NGO, carries out the work at Kushalta Vikas Kendra (KVK), the shelter home of Shakti Shalini.

Currently, we have four projects running under Enactus PGDAV:

Project Korakagaz – This project was launched in 2015 to uplift women from marginalized sections by training them to become entrepreneurs in the stationery business. The project also provides them with regular wages to support their livelihoods. Project Korakagaz has also produced an independent entrepreneur from KVK, who has launched her independent brand, Abhilasha.

Project Nistaaran – In February 2020, Enactus PGDAV launched Project Nistaaran, an initiative to uplift the community of waste pickers by engaging them in the production and marketing of chemical free, non-toxic compost and bioenzymes from urban solid waste. These bioenzymes act as multipurpose cleaners and fertilizers, replacing toxic, chemical loaded cleaners on the market. Project Nistaaran also helps to reduce greenhouse gas emissions by providing a feasible and cost-effective alternative to landfills.

Project Sugandh – In February 2020, Enactus PGDAV launched Project Sugandh, an initiative to protect people from malicious health problems and nurture the environment by providing charcoal-free, non-toxic, and eco-friendly incense cones made out of waste flowers from temples and decorations. The project also aims to uplift deprived communities.

Project Hope – It aims to enlighten the youth on how to safeguard their mental health.

Geo-Crusaders – The Environment Society

Geo-Crusaders – The Environmental Society of PGDAV College is a team of dedicated students and faculty who work to create an intellectual and inclusive space for discussions

around national and international environmental issues and events. The society organises many events and activities to promote an environment of inquisitiveness and to create awareness about recent environmental issues. The society conducts various awareness campaigns, such as cleanliness drives, plantation drives, field visits, and activities like restoration work at Sanjay van, extraction and restoration of Ficus tree saplings, and "say no to plastic". The society also observes various environmental days, like World Environment Day, Earth Day, International Wetlands Day, World Biodiversity Day, World Ocean Day, World Day to Combat Desertification and Drought, Van Mahotsav, Global Tiger Day, World Mangrove Day, World Elephant Day, International Day for the Preservation of the Ozone Layer, International Zebra Day, International Day of Forests, World Water Day, and World Wildlife Day, etc. The society has consistently organized various international and national conferences and seminars to raise environmental awareness.

Career Development Centre (CADEC)

CADEC: The Career Development Centre of PGDAV College was founded in 2023 as an incubator and resource hub for our college students who are interested in startups, entrepreneurial ventures and building their own business. The centre came into being after PGDAV College (M) and the University of Delhi signed a Memorandum of Understanding (MoU) with Samarth Bharat for the establishment of the Career Development Centre (CDC) at the college.

It is a platform that provides a range of services to support the growth and success of startups, including mentorship, funding assistance, networking opportunities and workshops on various aspects of entrepreneurship. The mission of CADEC is to empower students and alumni to turn their innovative ideas into successful businesses by providing them with the knowledge, skills, and resources they need to thrive in the competitive business landscape. At CADEC, our vision is to create a vibrant ecosystem that nurtures innovation, fosters growth and cultivates a spirit of entrepreneurship that transcends boundaries and transforms lives.

Every year CADEC organises inter-college Pitch desks and B plan competitions under the name Bizblitz, industry visits, workshops, and facilitates interactions with successful entrepreneurs, start-ups, investors and other incubators. We are currently nurturing more than 15 projects. One of our student entrepreneurs' Start Up **Gama AI** is being incubated by Udhmodya Foundation at Univ of Delhi. The start-up was also exhibited at Start-Up Mahakumbh, held at Bharat Mandapam 3rd-5th April 2025.

UDAAN

UDAAN PGDAV Unit is an extended Branch of UDAAN which is actively working at college level in the field of art and culture. A brief Introduction of UDAAN (Unfolding Drama and Acts to Awaken Nation) - A Cultural and Social Movement is an endeavour established in 2016 at Delhi to work amongst youth in the field of art and culture. It is a rendezvous of Students, Professors, Researchers, Writers, Theatre Personalities, Filmmakers, Intellectuals and Thinkers who have come together in UDAAN to create the right platform for youth to write new narratives of Indian values and passion through medium of creative expressions. Its mandate is to work with college and university students to hone their skills to make them better media persons, writers, orators, theatre persons and artists of other genres and instill nationalist feelings in them. Its focus areas are: Language and Communication, Theatre,

Visual Arts, Film and Photography, Dance and Music. It organises workshops, seminars and competitions in these verticals throughout the year. It has successfully organised four editions of UDAAN Utsav, which is the biggest youth festival in Delhi-NCR in which thousands of students participate.

Yuva

Yuva is the Cultural Society of P.G.D.A.V. College, University of Delhi. Driven by a vibrant team of passionate and enthusiastic students and guided by dedicated faculty mentors, Yuva stands as a hub for creativity, self-expression, and cultural celebration. The society is committed to providing a dynamic platform for students to explore and showcase their talents across diverse art forms and performance genres. Throughout the academic year, Yuva organizes a wide array of engaging events including poetry performances, creative writing competitions, debates, seminars, ramp walks, treasure hunts, and many more interactive activities. From intellectually stimulating discussions to fun-filled cultural fests, Yuva ensures that there's something for everyone. True to its name, Yuva continues to channel the youthful spirit and energy of the student body, welcoming new talents each year from a variety of backgrounds. The society celebrates diversity, creativity, and collaboration, making it an essential part of the college's cultural heartbeat.

VIKSIT BHARAT Sankalp Club @2047

The Viksit Bharat Sankalp Club @2047 at P.G.D.A.V. College is a vibrant platform committed to furthering the national vision of a developed, inclusive, and empowered India by 2047. Guided by the philosophy of "Sabka Saath, Sabka Vikas", the Club encourages student-led dialogue, innovation, and civic engagement.

The year 2025-26 commenced with a Financial Literacy Awareness Programme organized in collaboration with the National Service Scheme (NSS). Conducted by financial expert Mr. Pankaj Sahijwani, the session focused on budgeting, saving, investing, compound interest, and risk management.

Students of the College enthusiastically participated in "**Viksit Bharat Ke Rang, Kala Ke Sang**" at Kartavya Path, New Delhi, where over 35,000 artists and students contributed to creating a

world-record 10-kilometer-long painting. To strengthen research capabilities among faculty members, the Club organized a Faculty Development Workshop titled “**Research through Experiences: Power of Scholarly Case Studies.**” The Club also facilitated a live screening of the Viksit Bharat Young Leaders Dialogue (VBYLD) 2026, enabling students to engage with ideas related to innovation, leadership, and nation-building.

A major highlight of the year was **Lakshya 2047**, a flagship event comprising *Yuva Vani* (Extempore Competition), *Bharat Darshan* (Documentary Making Competition), and *Niti Aayog* (Policy-Making and Argumentation Forum). The event fostered critical thinking, communication skills, policy awareness, and creative expression among participants.

Through these initiatives, the Viksit Bharat Sankalp Club @2047 continued to nurture socially responsible, innovative, and future-ready citizens committed to contributing meaningfully towards the vision of Viksit Bharat @2047.

Alumni Association

The relationship between alma mater and its alumni is one of symbiosis and reciprocity, as evidenced by the PGDAV College Alumni Association, which has been working incessantly to bring all alumni onto one platform. The PGDAV College Alumni Association has been actively engaged with alumni since its inception. The Alumni Association holds an ‘Annual General Meeting and Dinner’ on the first Sunday of April for alumni and teachers. The event comprises activities like giving away ‘PGDAV Ratan’ awards to students who have excelled in their field, cultural programme, dinner, and felicitation of all the teaching and non-teaching staff who retire during that academic year. Alumni interactions through lecture series and collaborative projects are organized regularly which has a positive impact on students and help them enhance their professional and personal lives.

SPIC MACAY (Society for Promotion of Indian Classical Music and Culture amongst the Youth)

The college has a PGDAV chapter of SPIC MACAY, which organises various cultural events to promote awareness of Indian classical music and culture amongst the youth. The programmes, apart from drawing the attention of the youth towards India's tradition of classical dance, music and various art forms, also offer them an opportunity to interact with renowned artists. Some of the well-known artists who have performed at PGDAV College are – Pt. Hariprasad Chaurasia, Pt. Rajan and Pt. Sajan Mishra, Pt. Vishwamohan Bhatt, Pt. Bhajan Sapori, Vidushi Madhvi Mudgal, Vidushi Shovana Narayan, Vidushi Kalapini Komkali, among others. Each programme has not only enthralled the staff and students but has also left behind treasures of learning.

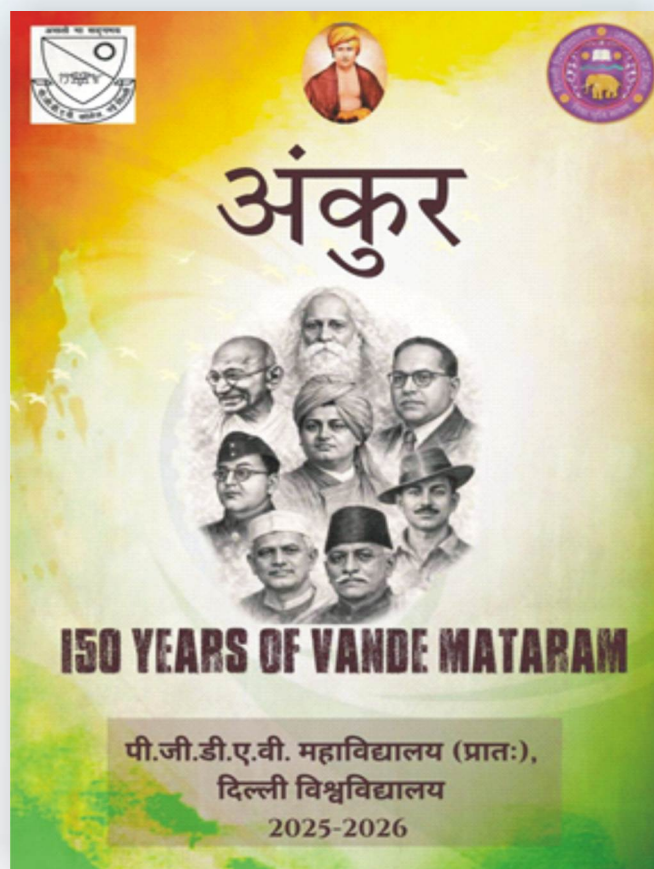

College Magazine – Ankur

'Ankur', the Annual Magazine of PGDAV college is a powerful manifestation of the creativity, intellect and dedication of our students and faculty members. The magazine reflects the dynamic spirit of our institution, where learning stretches beyond classrooms, and attains expression in imagination and thought. It embodies intellectual prowess, creative spirit, and aspirations of the college community. It records the pulsating life of the college while preserving the memories, accomplishments, and milestones of each academic session, chronicling academic, co-curricular and extra-curricular activities conducted by various departments and societies; thereby portraying a comprehensive account of the institution's vibrant educational environment. It also provides a prestigious platform for students and faculty members to contribute original works across various genres. Besides, it helps students to develop editorial and communication skills under the guidance of teachers. The magazine demonstrates a vibrant collection of articles, essays, short stories, photos of memorable events, and reports on academic, cultural and extracurricular activities

organized throughout the year; it bears a testimony to the college's achievements and monumental events, thus promoting a sense of pride, participation, and belonging among students and faculty members. The students and faculty members delve into contemporary social, cultural, and academic concerns through these literary interventions. The magazine reflects the college's vision and ethos. As an enduring mélange of intellectual and cultural life of the institution, "Ankur" inspires generations of learners to contribute to society through creative spirit, knowledge and dialogue.
