

Report on Azadi Ka Amrit Mahotsav- 2022-23

One Day National Seminar

The Department also organised a one- day National Seminar in collaboration with ICHR and Akhil Bharatiya Itihas Sankalan Yojana on 22nd Feb. 2023 on the topic '**Tomar evam Chauhan Rajvansh ke antargat Gauravshali Dilli**'. The idea was to make students and teachers aware of our rich history and understand many myths and facts behind Tomars and Chauhans. As 'Azadi Ka Amrit Mahotsav-75 Years of India's Independence' also represents our cultural heritage with one of the most ancient civilizations, the seminar therefore was held to bring awareness towards our historical developments. The programme began with Saraswati Vandana and lamp-lighting followed by introduction of the guests and speaker by Convener of the Seminar, Dr. Shatrujeet Singh. Keynote speaker was Prof. Dharmchand Chaube who enlightened the audience with important facts on Tomar and Chauhan Dynasties. It was followed by speech of Chief Guest Shri Bharat Bhushan Ji. The Chief Speaker, Dr. Balmukund Pandey highlighted the importance of Tomar and Chauhan Dynasty in Indian History. As Chairperson of the Seminar, Respected Principal of the College, Prof. Krishna Sharma gave an insightful talk. The Seminar ended with Vote of Thanks by Teacher-In Charge of the History Department, Dr. Rimjhim Sharma. The Seminar was well steered by Dr. Ankit Agarwal.

The seminar threw light on socio-political, cultural and economic aspects of Tomars and Chauhan and their contribution in the development of politics of Delhi in the Medieval Period. The period covered has mostly been understood through Sultanate and Mughal History and students are not much aware of other contemporary dynasties who played important role in Indian Historical development. Through this Seminar the College and Department of History worked towards bringing awareness towards these less explored but highly crucial dynasties who led to Nation building and lay foundation to Modern Delhi. Tomars and Chauhans were fierce fighters and were powerful who fought against Muslim invasions. They tried to protect National integrity. The Papers presented were highly appreciated as they were well researched and discussed many issues related to Historical development of this Period.
