

## **SANKHYIKI – The Statistics Society**

“*Sankhyiki*” the Statistics Society of the P.G.D.A.V. College has been actively involved in organising various extra-curricular academic events and activities in which the students participate with great zeal and enthusiasm thus making each such event a grand success. Most notable of *Sankhyiki*'s activities is the departmental festival ‘*SKEWSION*’ held once in each academic session. During ‘*SKEWSION*’ the society arranges a talk by an eminent personality from statistics or some interdisciplinary field as well as from the industry along with events such as creative writing, quiz, statistical antakshri and other informal events.

On 23<sup>rd</sup> November, 2021, Orientation program was organized to help new students to have a successful time in the college by making them aware of rules and regulations and also helped them with initial anxiety on joining the college. The society organized a webinar on “How to do a Data Science Project Step by Step” on 3<sup>rd</sup> March, 2022 and the eminent speaker for this webinar was Mr. Srijit Mukherjee, ISI. The session was very interesting & informative and appreciated by all the faculty members and students.

‘*SKEWSION*’- the departmental festival was organized on 14<sup>th</sup> and 15<sup>th</sup> April, 2022. Dr. Priyanka Anjoy (ISS) (Assistant Director, National Accounts Division, NSO, MoSPI) was the Chief Guest for the event and delivered a talk on “Opportunities for Statistics Students in Government Sector”. Various fun filled activities and events like Paper Presentation, Battle of Kings, Taboo de Statistica, Amaze-O-Quest 2.0, IN-Q-ZITE and Shark‘O’Cean were held. Students across different colleges of University of Delhi and other Universities across the Country participated in the events of the festival.
