

## Report for the session 2021-22

KAIZEN-The Career Counselling Club of P.G.D.A.V College aims to make students aware of emerging career opportunities, assist them in identifying careers best suited to their own strengths and encourage creativity in career selection. It's a student-led community with teacher convenors Dr. Rajni Jagota, Ms. Geetika Jaggi, and Dr. Aditi Bhateja, who are determined to provide overall guidance and assistance in terms of obtaining logistical support for its activities and valuable opportunities with the resources at their disposal for their students.

Our robust team for the session 2021-22 includes:

President: Rishika Tomar, B.Com(Hons), 3<sup>rd</sup> year

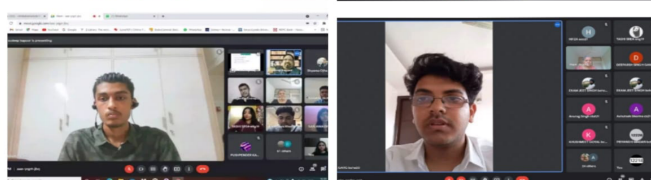

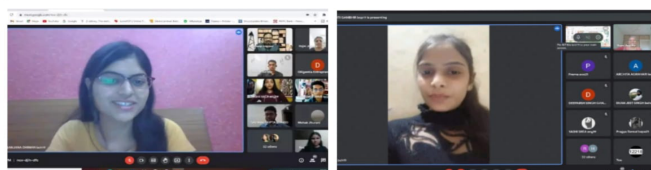

Vice-President: Kashish Antil, B.Com(Hons), 3<sup>rd</sup> year

Secretary: Yashi Srea, B.A English(Hons), 3<sup>rd</sup> year

Drishti Gambhir, B.Com(P), 3<sup>rd</sup> year

Joint-Secretary: Disha Wadhvani, B.A Political Science(Hons), 3<sup>rd</sup> year

Treasurer: Shalini Khinchi, B.Com(Hons), 3<sup>rd</sup> year

The club holds two types of activities: in-house events and speaker events. Our regular in-house sessions featured diverse activities from book review of Napoleon Hill's Think Rich Grow Rich; Neerja Madhav's Yamdeep in Hindi; James Clear's Atomic Habits to name a few. Current events, shlokas, historical updates, quizzes, highlights of the union budget, the global hunger index Theatre Commands, RuPay, Netaji Subhash Chandra Bose, vocabulary building segments(hindi & english), Feminism

in India before Independence, among many others provide active platform to students to engage discuss & deliberate. Students are also encouraged to showcase their creative blend of mind through self-composed poems and share their individual experience of personal growth. Besides students this year have been very active in sharing stories and reels on our Instagram handle which were both knowledge bearing and captivating. This session Kaizen has launched its monthly newsletter which constitutes details of activities that took place every month. A new initiative has been launched to enlighten students about the numerous career alternatives accessible to them and to assist them in making the best and informed career decisions some of them include cyber security, fashion modelling and graphic designing.

Like previous years, this year as well we hosted some well-known speakers to apprise students about career opportunities in various traditional and emerging sectors, how to prepare for the same and the career paths in respective fields.

- Dr Jyoti Ahluwalia, Associate Professor and an expert on Data Analytics and Machine Learning delivered talk on “Career Opportunities in Artificial Intelligence” on September 10, 2021
