2. All the members unanimously expressed satisfaction with the allotment and functioning of the new infrastructure for various activities in keeping with its purpose including the Department Rooms, Seminar Hall, Elevator, Computer Hub, Union Room, Cultural Room, Boys Common Room, Girls Common Room, NCC Room, NSS Room and Canteen.
3. The Placement Cell conducted a workshop on Communication Skills in English in keeping with the intention of developing soft skills of the students to prepare them better to face and work in the corporate world.
4. The Placement Cell also conducted the first Internship Fair for the students that turned out to be a huge success as 16 prestigious companies participated and at least 42 students joined various companies as interns. The students hugely benefitted with this interaction with the corporates.
5. It was agreed that the student response to both the workshops and the internship fair was very positive and benefitted not only our students but others across Delhi University too. Hence, it was decided that both activities must become a regular event in every academic year.
6. Departments conducted their academic festivals and seminars that were well attended and achieved the target of getting interdisciplinary attention. It was decided that the seminars and similar activities were to be encouraged every year. Several ideas were floated in this direction.

The meeting ended with vote of thanks to the Chair.
